## **IMPORTANT INFORMATION FOR VENDORS** BEEF SCHEMES – NAMED SIRES

Named sire cattle particularly Angus, Hereford, Shorthorn and Devon breeds are of particular importance when selling stock at market.

Therefore please be extremely careful when registering all calves as stringent checks are now in force when the animals are put into rearing units and at the point of slaughter (which may include DNA testing).

As such, please do the following if your cattle are sired by a registered Pedigree bull:

- Enter the full sire ear tag number (and name if possible) on your passport application form for each animal.
- Write the full sire name on each passport prior to bringing the animal(s) to market.
- Write the full sire name of each animal on the market entry form.

### **NO SIRE DETAILS ON PASSPORT/ENTRY FORM = SOLD WITH NO SIRE NAME**

An online database to check whether your sire is registered as pedigree is available on most cattle society websites.

Please contact the market office for further clarification or information regarding sire names.
