AUCTIONEERS LTD

**STEERS TO £1,080 HEIFERS TO £912**

As anticipated a small entry for our first sale of 2019 due to a short week and a shortage of TB tested cattle following the Christmas break. A very respectable attendance of buyers produced a firm trade. Hard Simmental x steers 8 -10mo sold to £498 from Crosbie - Dawson & Son. Quality well shaped Herefords 12 - 15mo saw competitive bidding from RJ Adams topped at a strong £695. Stronger cattle were wanted and more could have been sold. Deep bodied Simmental x heifers 21mo from Viv Doggrell & family to £912. Forward Angus all sold to a keen demand and super conformation steers 22mo to £1080 from K Baker. Only a few Friesians but those on offer saw prices firm to £525.
