ANGUS & HEREFORDS

Mostly Angus & Hereford consigned for the February sale with trade for the forward types not far behind Friday markets. Fleshed Angus from Hollands Farms to £1080 with large Herefords from the same home to £1020. Well grown Hereford steers from Manor Farm Partners to £890 16mo with similar age Angus steers from NJ Tory & Partner to £862. Fleshed Angus heifers from Mile Elm Farming to £920 for 18mo and steers from Paul Mattick to £865. Trade for younger sorts much livelier than expected with Hereford steers from GT & M Vigar Smith to £625 for 13mo and heifers to £548 for 10mo from the same consignment.

CONTINENTALS

Few Continentals consigned for this month's sale however enough demand to see all sold to a buoyant trade. A good run of medium framed Blue heifers settled at £840 from PJ Mattick with slightly smaller frames to £700. Two well-bred Continental steers from Chris Rose were bid to £750 and £692. Medium framed Blue steers from Blanchard Farms to £700, MGJ & JA Hares to £628 14 – 16mo with heifers from the same consignment to £560.

FRIESIANS

A good proportion of Friesian's coming forward for our February sale. Trade was very firm and saw improvements in line with the increase in our normal Friday market. More fleshed, older types from Mile Elm Farming saw competitive bidding to £835 and top spot to Hollands Farms to £855. Good feeding types from NJ Tory & Partner sold to a keen trade at £658 - £642. Younger grazing steers saw a better than expected trade at £458.

Heavy Angus steers from the Evans family grossing £1200, 170 – 180p/kg. Well-shaped R and U grade cattle could have been sold to an advantage for this sale.

**UTM HEIFERS: 199.50p/kg £1,153 for an Angus from Hollands Farms, from Blandford
