**STORE CATTLE (232)  
STEERS TO £1,185 HEIFERS TO £1,015**

A good show of store cattle in this section with plenty of demand throughout.

Friesian	882	22mo	PW Keen & Sons, Wells				

**ANGUS**

Plenty of good Angus coming forward and trade lively as the finished cattle improve, demand for replacements has strengthened. Super Angus steers from John Hollister of Yate were easily sold and generally £900 - £1000 with the top to £1055. Chris Doel & family presenting quality cattle with their 21 – 24mo steers to £1045 and heifers to £830. 18 – 19mo Angus selling well with heifers from A & M Gregory & Son to £830. 18mo Angus steers to £900 from AG Hinks & Son. More could have been sold for this sale. Buyers keen for the older 18mo+ cattle which tend to fit their AFU's and created the best returns for vendors.

**HEREFORDS**

All older Herefords wanted and sold to an advantage. Quality Hereford 22mo steers from RJ Sparshott of Blandford created strong bidding ranging £880 - £950 and peaked at an excellent £990! Not too many fleshed heifers forward but nice types from D & P Yeatman saw prices to £758. Younger 12 – 14mo Herefords more difficult to sell, which is the normal pattern as buyers like quicker finishing sorts.

**CONTINENTALS**

While a few less Continentals on offer the quality was high and trade was brisk. A good entry of Blues from EL Norris & Son and FM Griffin & Son. A grand consignment from PW Keen & Sons which saw their best steer to £1185 and often over £1000. Strong deep bodied heifers from the same home reached £950 closely followed by EL Norris & Son at £925. Derek & Graham Stevens again selling their usual very high standard of Simmental cattle which saw 18mo steers to £1000 - £1090 and heifers to £888.

**FRIESIANS**

A large entry of Friesian and Holstein Friesian steers presented for sale and all met with a very firm trade. Deep bodied 20 – 22mo steers from PW Keen & Sons saw competitive bidding to £882 and £810 with 17 – 20mo from the same vendor and RJ & BJ Kingston to £700 - £765. Younger 15 – 16mo Holstein Friesians from John Baggs (Farmers) Ltd were well sold to 500.

# **CULL COWS & PRIME CATTLE (33)**

## **PRIME TO 152p/kg COWS TO 112.50p/kg**

A very mixed quality entry with only 1 under age Friesian steer selling at 152p/kg and £988 from Knapp Farm. Over 30 month – overall a good trade for today's entry with the under 36 month at Wednesday levels and topping at 174.50p/kg for steers and 178.50p/kg for heifers both from JA Ponzio. Over 36mo are discounted so if you can they need to be marketed earlier.

### **CULL COWS (32)**

The Sparshott's Hereford topped the cows today at 112.50p/kg and £900. Imports to 70p/kg from EL Norris & Son. Many thanks for your support.
