**STORE CATTLE (89)
STEERS TO £1,075 HEIFERS TO £1,065**

Not quite the numbers forward for this sale with only 100 on offer but all were of good quality and a very lively trade ensured! Plenty of buyers were present and well prepared to pay for quality types. A super consignment from Roger & Jason Phillips created keen interest from everyone. Their Blue steers often over £900 and peaked at £1000 while heifers from the same home saw excellent bidding to £925! A strong Blue steer from Hollands Farms (Barry Cooper) topped at £925.

A grand entry from CW Butcher & Son sold exceptionally well which saw his Limousin steers at £948 and £1045. Simmental steers to £1000 and an outstanding Blue heifer to £1000! Younger show potential Continental steers 15mo from Nigel Butler, Newbury from £800 - £1000 and sold to an advantage.

Plenty of good Angus cattle on offer saw brisk bidding throughout. Roger & Jason Phillips' Dairy x Angus steers often over £1000 and topped at £1065. Their superb heifers always over £800 and peaked at an outstanding £985.

Friesian cattle were dear today and those with good strength sold to high levels. Hollands Farms presenting their normal high quality and regularly over £900 and topping at £975. New vendors coming forward with a nice consignment of Stabiliser steers and heifer 15 – 16mo to £648 and £560 respectively.
