The sale saw plenty of very keen bidders and all wanted the good quality that was presented for sale. Both younger and older cattle sold exceptionally well throughout the day. Many more younger stores which is more normal for April & May sales and all were easily sold. Hereford steers and heifers had a strong trade with 16mo steers from Simon Bendall to £990 while super well fleshed heifers from J Rich saw prices at £978 and £930. A good entry of both Dairy x and single suckled cattle from RF Stratton & Co sold at top levels, Angus x steers 19mo to £1015 and £900 and their Hereford x to £778. Suckler bred Limousin steers from the same home 15mo had a wonderful trade at £942! Deep bodied Friesian Holstein steers 20+mo again from Simon Bendall produced an exciting trade with prices at £902 and £940. Overall a tremendous day in this ring.
