“CHEER US UP” with a DRAWING/COLOURING

At this difficult time we all need cheering up so we are hoping you can find the time to put pen/crayon into action?! The drawings can be of anything but preferably of animals or your family. A great opportunity for everyone to see your skills! Please submit your drawings to the FLA Market office. The drawings will appear on our market reports and website – so please get your parents' permission first. Please say if you DO NOT wish your name or age to be on it.

A “FLA Cheer Us Up” Certificate will be sent to every entry!

So have fun – get drawing!

Chaplain's Weekly News 3rd July

Revd Sally Harper, Chaplain - North Wales Group, has provided the following words of comfort for us from Matthew 10:

The words 'Do not be afraid' appear in Scripture over and over again (some say 365 times - one for every day of the year!) The picture to the left has the sparrow singing the chorus from a very well-known revival hymn, 'His eye is on the sparrow' (made famous by Whitney Houston, among others):

Are not two sparrows sold for a penny? Yet not one of them will fall to the ground unperceived by your Father. And even the hairs of your head are all counted. So do not be afraid; you are of more value than many sparrows.

A prayer in the midst of coronavirus God of hope, we thank you for the help given to our farmers by the many charities who support our agricultural communities. We ask that you inspire our farmers to seek their help when in need. Guide us all as we seek to support one another. Help us to be attentive to the lonely, the isolated, the fearful and those who are ill. We give thanks for the DEFRA launch of a bounce back to support agriculture. We pray for young farmers as they discern their future. Amen.

Help is here for all our farmers Rural charities are working together to provide heightened levels of support to farmers during the coronavirus outbreak in the UK. The Farming Help charities consist of the Addington Fund (<https://www.addingtonfund.org.uk>) Farming Community Network (FCN) (<https://fcn.org.uk>), Forage Aid (<https://forageaid.org.uk>) Royal Agricultural Benevolent Institution (RABI) (<https://rabi.org.uk>), The Prince's Countryside Fund (<https://www.princescountrysidefund.org.uk>). SURVEY: YOUR POST-BREXIT RURAL FUTURE The National Federation of Young Farmers' Clubs (NFYFC) is currently running a survey to give students, next generation farmers, land managers and those working within allied industries an opportunity to offer their views on the future of the industry and flag up concerns and thoughts. The results from this survey, and future work from the NFYFC, can help highlight issues for post-Brexit rural policies as we emerge from the Covid-19 crisis. The survey can be found here: [https://www.surveymonkey.co.uk/r/ MKRW3CQ](https://www.surveymonkey.co.uk/r/MKRW3CQ)

DEFRA LAUNCHES 'BOUNCE BACK' PLAN FOR AGRICULTURE, FOOD AND DRINK INDUSTRY This week DEFRA has announced a 'bounce back' plan to help the industry recover following major disruptions caused by Covid-19. This includes a new programme of physical and virtual events that have been tailored to help a variety of businesses and exporters. These measures are being announced as part of a wider programme of support for the agriculture, food and drink industry to ensure they benefit from new trade and investment opportunities - including future free trade agreements (FTAs) with the US, Japan, Australia and New Zealand.
