**STORE CATTLE (48)
STEERS TO £1470 HEIFERS TO £1355**

Wow! we were off to another flying start for our first Tb Orange market of 2021. As expected with the delay of testing etc over the Christmas/New Year break, the numbers were somewhat shorter in supply. The quality however was super! Which in turn saw furious bidding throughout. The star entry of the sale was a consignment of 25 home beef bred suckler forward stores from C W Butcher & Son Devizes, their best Simmental 21mo steers topped at a whopping £1470! Closely followed by more bunches of the same at £1395, £1370. Heifers from the same home saw Simmentals regularly over £1250 and peeked at £1290 while their outstanding Limousin Heifer reached a massive £1355!! Cracking BB x dairy bred steers from Nigel Masters and family saw bunches of steers to £1340 and heifers to £1100.

Traditional dairy bred Hereford x and Angus x were all wanted and best Hereford x steers from C W Butcher settled at £1225 and more feeding type steers from A W Doel & Son £938 and Heifers £838. Strong quality dairy cross AA steers again from the Masters family topped at £1355 regularly over £1150.

Overall a marvellous sale and huge demand for strong forward cattle.

PRIME CATTLE TO 207.50 P/KG CULL COWS TO 203.50 P/KG

Less numbers forward than expected but there was no shortage in buying power, with new accounts present. Topping the day were Friesian Cows from Messrs RL Clapp & Sons who saw lighter types to £139.50p/kg with heavy meat cows seeing returns to £983.48. Messrs Hill from Shepton Mallet saw best black & whites to £124.50p/kg and £939.98. A single Hereford Cow from the Napthine Family sold to £131p/kg. A smart run of over and underage Angus from Durnell & Sons saw overage Steers to an impressive £203.50p/kg or £1228.73 with average Heifers to £184p/kg or £1048.80. Best underage Steers set a spark to £207.50p/kg or £1220.10 with Heifers to £197.50p/kg or £1173.15. My thanks to all. Our next TB Sale is 22nd February please do not hesitate to contact me on 07494 588013. Cows & Fat are certainly in demand and the Market is proving its worth.
