**STORE CATTLE (85)
STEERS TO £1230 HEIFERS TO £1195**

Plenty of good quality cattle in the store ring for our February sale but too few numbers to take advantage of the amazing trade on offer! this sale was very well supported with a big compliment of buyers looking for strong cattle. First up was a good consignment from Roger & Jason Phillips, these strong forward cattle were at a premium. Their Hereford x steers 24mo raced on to top at £1210 & 31 mo to £1230! heifers from the same home at £1085. Deep bodied Herefords from Morris Emery and family were just short of £1200 today at £1195. More thick Hereford heifers from RH & CM Johnston easily to £1075.

Some super continentals on offer today. Dairy bred Blue steers 24mo saw a marvellous trade at £1230, 31mo £1130, and Heifers at £1135 all from the Phillips family. More great Blue steers from Morris and Graham Emery sold like "Hot Cakes" and raced along at £1170 and £1100, heifers were at £1080 & £1045. A super entry of smart single suckled Simmental heifers from T J Rowland farms 19-22mo were desperately wanted and saw trade at the highest levels regularly at £1082 & £1050!

Not so many Angus forward but what a trade, Roger Phillips' grand fleshed heifers 25mo to £1195, while strong feeding types from BW & GJ Gray saw their steers 19-22mo at £930 and heifers at £860.

Overall, the trade for this sale was certainly equal to that of our Friday market for strong cattle with no discount for any Tb restriction! More numbers would have been an advantage, please get your licenses in plenty of time, help us to help you!

BARREN COWS

Although a shortage of cull cows "what a trade" all those on offer 120p+ per kilo with best Friesians from Scott Shergold topping at £1082 (124p) with Herefords from the Sparshott family at £875 (125p). If you are under TB Restriction please support this monthly sale with your cull stock.
