**"What a Smacker"!!!**

What an absolutely cracking day in this month's Orange market, trade was at exceptional levels and although a few more younger cattle on offer demand was outstanding for everything at this sale.

We saw some wonderful cattle presented for sale and with one of the largest attendances in recent sales trade was set to be hot, hot, hot!! PA & RJ Stranger presented some top sorts from their dairy herd, which saw Blue x Steers 22-25mo at £1160 & heifers £1100, Limousin steers at £1150 from the same home with Des Beatty entering 60 grand cattle and his Limousin steers at just 14mo came in at £1145! Followed by Will Stitch at £1110. Limousin heifers found plenty of trade also with Des Beatty's to £1145 and Will Stitch and the Stranger family at £995 and £980. No trouble selling Blonde x steers to £1060 & £955, with heifers at £1040 and all from the Beatty family. Excellent Simmental heifers 23-24mo from Steven Creed & family produced plenty of brisk bidding at £1105 & £1070. Younger continentals had a marvellous day which saw 12mo Limousins heifers from Will Stitch at £995 & £902, Charolais and blonde x heifers 13mo from Des Beatty at £918!

The traditional Angus & Hereford were in good supply and created big interest all day. Some fantastic home bred suckled and Dairy bred Angus steers 22mo from Hartley Farm realised at blistering trade at £1200, £1170, all closely followed by David Cotton's quality Dairy bred steers at £1115, £1085, Des Beatty at £1075, Will Stitch £1075 with JHB Gay, S P Creed and Richard Stevens all past £1000! Angus heifers were equally wanted, Richard Stevens topped the section at £1110 and Des Beatty, David Cotton all over £1000.

Good entries of Herefords coming through and the Stranger family topped the day seeing steers at £1270, with R J Sparsholt, Hartley farm over £1000 and plenty more over £1000. Cracking forward Hereford heifers from the Strangers at £1150 and £1065 and many more from various vendors £850-£950. Younger types selling well £600-£775. No problem selling Friesians today and a number of great types on offer too! Steven Creed always presenting quality, which saw his steers at £1185, £1015, Hartley farm and R Stevens at £955 & £900 respectively. As you can tell from this report there is no problem in selling TB restricted cattle in Frome, which are currently one of the leading auctions for numbers and quality in this sector. "Sell Live and Thrive" has to be the slogan at the moment. Give me the goods and I will find the buyers!! A big thankyou to all the vendors and buyers for this sale.

**ATTENTION TB VENDORS PLEASE NOTE:**

**Unfortunately, due to data protection we can no longer access your license information from the ministry, please ensure you remember to enter cattle with us direct for the catalogue. This is important to maximise buyer attendance.**
