**STORE CATTLE 221 CULL 77 & FAT 14
STEERS TO £1312 HEIFERS TO £1150**

Good entries for our July TB Orange market and although a few potential buyers are harvesting, the trade was strong. The more forward feeding types were wanted and produced the best of the prices. However, there was plenty of interest in the younger cattle of which, there were more forward on this occasion. Feeding forward AA x steers with good types all over £1100 and those from Holland Farms sold to £1300 and just pipped to the post by P Gould and family at £1312. More forward heifers were easily sold with Holland Farms topping the section at £1150, followed by BW & GJ Gray at £1090. Herefords with sires still wanted with best older steers to £1125 from the Gould's. More of these forward cattle were wanted. Quality Hereford heifers pipped the steers today with some great types from D Beatty at £1142 followed by PT Gregory at £1050 and B W Gray £1045. Younger Herefords were more plentiful, but all sold to a keen number of buyers and achieved very firm prices.

The Friesians were forward in bigger numbers with 30 % of the sale being attributed to them. No problem selling these with everyone looking to feed the bigger sorts. Strongest types £900 - £1000 and were well sold. Younger Friesians created good competition throughout and all sold to an advantage. Only one strong Friesian heifer on offer which peaked at £1050.

Continental, although mainly younger, were well presented and all sold really well. Super suckled Limousin steers 12-15mo from Will Stitch saw his normal high quality see prices regularly £850 - £1000 with the best at an excellent £1148! Heifers from the same home at £900. Quality Lim heifers from the Gould's at £1138, while D Beatty saw his suckled types to a very favourable £1150!

CULL CATTLE
Cull Cows to £1149

A large entry pushing the 100 mark met a flying trade, with the vast majority non-assured.

Barry Coopers Cows sold exceptionally well to 147ppkg or £951 and £850. Younger Cows carrying flesh sold well to 168.5pkg, 163.5pkg and 160.5 pkg with heavier fleshed cows to £1149, £1064 and £991. Grazing types were a good sell consistently 1.20pkg to 1.30pkg.

Numbers certainly drew new faces and these numbers are needed at our monthly Orange Markets.
