STEERS TO £1200 HEIFERS TO £1182

A good entry in the store section for our Orange market August sale. Much larger entries of younger cattle were on offer for this sale which overall I felt produced a firm trade. A few less buyers around the ring as the "catchy weather" saw a number of buyers on the combine or baler.

ANGUS

Some super quality Angus on offer which saw strong forward steers from PW CC & JC Gould and Hollands Farms both at £1200, closely followed by MR Stevens' at £1190, £1140 and £1055. Younger well conformed Angus steers 16mo presented by TR Horsington sold well to £1000. 10mo Dairy x Angus steers saw firm bidding and settled at £630 from Merryfield Farm. Thicker deep bodied Angus heifers were the best of types, again coming from MR Stevens and produced very strong bidding throughout topping at £1182. Not far behind was WA Salvidge & Son's & TR Horsington at £1065 and £1000 respectively. 16 – 17mo grazing types £750 - £880 and seeing plenty of interest.

CONTINENTAL

A stronger entry of Continentals, although generally more younger types were on offer. Alan Pike of GA Pike & Son once again presenting some super (mainly) Blonde x suckled beef steers & heifers 10 – 15mo. The best of Alan's saw his Parthenaise steers at a massive £1105 and Blonde 14mo to £900. Plenty of 9 – 10mo at £800, the best of his Blonde x heifers at 9mo also topped at £800. An excellent run of Dairy x Blue steers & heifers 10 – 12mo from Merryfield Farms saw a good firm trade established at £712 & £690 respectively.

CULL CATTLE TO £1041

Trevor Rowland 07968 480401

Very limited entry of cull cows but demand very firm with all over 120p/kg. Belgian Blue deep bodied cows sold to 128.50p/kg. Charolais from MR Stevens topped at an excellent 134.50p/kg. Both British Friesian and Holstein Friesians peaked at 123p/kg. Herefords were wanted and a very thick well fleshed cow from C Sealy topped at £1041. More cows wanted in order to attract more buyers, plenty of trade but not enough stock this time.
