STORES

Great to have over 200 Store cattle entered for our February TB (Orange Market) Sale. Trade was once again flying with more buyers attending and supporting the market. Not so many well fleshed cattle as our January sale, but more general feeding types on offer. Good feeding Angus & Hereford steers & heifers were eagerly sought and Will Rossiter saw his peak at £1190 & £1140. A good consignment of 17 – 18mo Angus from the Gray family of Nailsea commanded fierce bidding with steers at £988 and heifers 16 – 18mo regularly over £840 and topped at a super £970. Cracking 21mo name sired Angus steers from Derek & Graham Stevens topped the section at £1280. RJ & S Mckie presented some good hard Herefords (18 – 19mo) which saw steers at £1122 and heifers to £932. Excellent prices for all the Continentals, although mainly younger types trade was very strong. Top Charolais suckler bred 20mo steer from D & GJ Stevens sold to £1180. Younger 16 – 18moc Simmental x Dairy steers & heifers from Rodney Meatyard & family commanded real interest, seeing steers to £902 and heifers to a grand £955. Younger Blue x Dairy were all well sold with 16mo to £882, (19mo) to £960 while heifers sold to £902. More 11 – 14mo young Limousin & Blue x for this sale which all sold very well throughout. Merryfield Farmers saw 14mo Limousin steers at £910, Blue x steers 13 – 14mo to £788 and 13mo heifers to £628. Friesians sold well, but all Holstein types (18mo) and look dearer from £800 - £880. Overall an excellent trade in this section with more buyers coming to Frome.

CALVES / STIRKS STEERS £445 HEIFERS £305

Another superb entry of over 150 head again. My thanks to all especially our loyal following of buyers both new and old creating another buoyant trade. Weaned calves another very impressive trade. More fresh baby calves forward which sold to a very fair trade, with quality well rewarded.
