STEERS TO £1312 HEIFERS TO £1225

STORES

Another good trade in the Orange Restricted store section but just a few less cattle on offer this month. More leaner, summering types coming through rather than the heavy fleshed cattle that we have seen in recent sales. The strongest, thicker cattle seeing the fastest trade with super Blue x steers 17 – 19mo from Knapp Farms at £1312 and others from £1040 - £1050. Blue x heifers from the same home 17 – 20mo very much in demand at £1225. Leaner Dairy x Blues steers and heifers from RJ & S Mckie 16 – 17mo saw demand firm throughout selling to £840 and £765 respectively. Dairy x Hereford from the same home saw 21mo heifers to £842 and slightly less shaped steers at £790.

Only a handful of thicker Angus coming through but all were keenly sought. Good sorts once again from Hollands Farms Blandford which saw steers at £1190 and heifers to £1195. More good heifers again from Knapp Farm at £1120. Quality well fleshed Angus from local vendor MR Stevens Partners created excellent interest with steers to £1165 and heifers to £1160.

The Friesians were very variable for this sale and extreme Holsteins sorts harder to place. Well grown 22 – 24mo more British Friesian types produced more competition with Hollands Farms deep bodied steers at £1050 and £1020. Overall another successful TB market at Frome this week.
