**STORES**

An excellent entry of over 200 quality stores for our June TB restricted market. Overall a very strong trade throughout with emphasis on traditional breeds this time as 60% were Angus and 20% Hereford. Demand was excellent for these quality feeding types. Thick well fleshed Angus x from Hollands Farms (Blandford) and AG Carter saw their steers at £1270 and £1220 respectively. While leaner feeding types from D & GJ Stevens and AW Doel & Sons at £1185 and £1170. A tremendous consignment of 70 home bred Angus x 18 - 20mo from HE Cotton & Son produced wonderful bidding with steers regularly over £1100 topping at £1155 and heifers £1000 - £1080. More fleshed Angus heifers were harder to find for this sale but those super types from AG Carter soared to £1360 and £1205, closely followed by Hollands Farms to £1180. Only Hereford x heifers forward for this sale, all were nice sorts and sold very well from £960 - £1128 with top spot to AW Doel & Sons, Lacock.

The Continentals were all quality and a good entry from local vendors D & GJ Stevens saw their home bred suckled Charolais and Simmental steers 14 - 15mo to £1145 and £1080, heifers 15 - 17mo at £1100 and £1050, 19mo Blue steers from the same home sold to £1215. Top Blue steers from AJ Langley & Son topped the sale at £1335, closely followed by their heifers at £1245. Well conformed Limousin x heifers 18mo still from the Langley's had a super trade at £1192.

Not so many Holstein Friesian steers forward today but those on offer were wanted as stronger types from Hollands Farms peaked at £1140. Younger feeding types all saw lively bidding regularly £850 - £1000. A tremendous day today and many thanks to everyone who supported the sale.
