ORGANIC STEERS TO £1470

ORGANIC HEIFERS TO £1295

STEERS TO £1420

HEIFERS TO £1150

A wonderful entry of over 800 head saw a packed ringside as more buyers come to Frome.

ORGANIC

Frome is certainly known as being the Organic centre of the South West and this sale I think proved it! Over 230 head on offer and a ring filled to capacity produced an excellent trade. Included in the sale was a good dispersal of suckler Angus cows & calves from Eweleaze Farm, Weymouth. Calves varied in age from 2-7mo and although the cows were only 1-3mo served the trade was very lively. Plenty of sets £1100- £1450 with purchasers from Shropshire to Sussex. In calf Angus heifers were easily sold from £1050 - £1260. Grazing cows from the same home topped at a terrific £1230. A number of super consignments presented saw tremendous demand throughout the day with many from our local regular clients. J & M King-Brain presenting their normal quality which saw Angus steers to £1350 and Limousin heifers to £1250. More outstanding Continentals from Chave & Foster created huge interest and were regularly over £1250 with Angus steers to £1470, Simmental steers to £1427, £1360 with heifers at £1295.

COMMERCIAL SUCKLER COWS & CALVES

Grand sets of sucklers in this ring which saw top Limousin cows & 6mo calf peak at £1790 while cows running with bull at £1410.

CONTINENTAL

Only younger suckled calves forward but plenty of strong demand. Good Charolais steers 7mo from Neil & Sharon Glover sold well to £770. More smart well-bred types 10 – 12mo from David & Liz Brimble were well sold at £852. Heavy strong forward Continentals very dear and more wanted this week to satisfy the large compliment of buyers around the ring.
