CULL COWS (130) Beef to 195.50p/kg Dairy to 168.50p/kg

AUCTIONEER: GREG RIDOUT 07817 517467 Start 12.30pm

Don't forget Frome Fatstock Show 30th November. Various classes with schedule available online or from the market office. Entries close 23rd November.

An exceptional entry of 130 cows penned for today's market, travelling across an expanse of southern England! With the recent drop of some 10p/kg on the deadweight we were expecting to see the trade ease slightly, but after today's trade I would have thought they had put more money on the deadweight not reduced it, trade was on fire!

My thanks to all the hauliers and farmers bringing cows today, results definitely didn't disappoint.

Angus cows were flying throughout with the Manor of Cadland seeing a top of 195.50p/kg and Little Durnford Farms cows selling to marvellous £1794. Other Angus from Rob Singleton saw his cows surge to 187p/kg or £1590.

Simmentals also from the Manor of Cadland to 190.5p/kg, 185.5p/kg and 182.5p/kg topping out at £1473. Blue cows up from Weymouth from the Vincent family to 179.5p/kg followed closely by Richard Gregory's Red Poll at 178.5p/kg and Limousin cows from Tom & Charlotte Wheeler, to 173.5p/kg. Luining cattle up from Southampton courtesy of Mike Lovell to a wonderful 155.5p/kg.

Plenty of dairy bred cows forward today, with all being wanted by our buyers. Ranging from large framed Holstein Friesians to much smaller and plainer x bred types the fast trade continued throughout. Holstein Friesians to 185.5p/kg or £1316 from DO Webb, Dairy Shorthorns up from the Smith's at Swanage selling to £1201, British Friesians to £1239 from Southwick Estate and PHJ Turner's Brown Swiss at £1218.

A large mixture of cross bred cows and grazing types including Danish, Swedish Reds and Jerseys being smaller framed trading from 110-130p/kg with only the very plain being at lesser levels.

STEERS TO £1528

HEIFERS TO £1358

A great entry produced a much firmer than anticipated trade with several new faces around the ring wanting to fill orders.

GRAZING/FEEDING COWS

A good trade for the few feeding/grazing cows which were on offer seeing Longhorn cows to £905.

FEEDING BULLS

Generally feeding bulls steadier but all were sold. 8-10mo Blue x bulls from Townsend Farming selling to £630. Less shaped Angus x Dairy to £400.

YOUNG CONTINENTAL

Buyers wanting the better types as usual and prepared to give the money however, all seem to want to buy their cattle less if possible, owing to the higher pressure on feed costs. Overall, a very pleasing trade throughout the section. Another cracking consignment of quality Simmental steers and heifers from Sid Brown, Isle of Wight which saw 8mo steers at £800, his heifers were well sought at £730 and 6mo to £700. Some nice runs of Charolais suckled calves today from regular supporters R & J Stevens presented some outstanding cattle 14mo steers at £1010 and 11mo at £930. Younger quality steers 7mo from Rob & Julia Banwell at £780 and £700. Their heifers saw a wonderful trade too at £685. A keen interest in the Blues and providing the conformation was good today they were well sold. An outstanding 10mo steer from LP Norman & Sons at £910, Dairy bred Blue heifers (10mo) were sold to an advantage at £620. Well-shaped Limousins (11-13mo) steers and heifers presented by the Attrill family were eagerly sought at £858 and £645. Dairy crosses saw the buyers selective again and demanding those with good conformation.

FRIESIAN

Not too many Friesians forward but overall, a very firm trade for the better types. An outstanding run of strong Holstein Friesian steers from SC Jones, saw tremendous bidding with bunches at £1328, £1232 and £960. Younger British Friesians saw a slightly firmer trade at £605.

Chaplain's Prayer

Father of all, remember your Holy promise, and look with love on all your people, living and departed ❤️ On this day, we especially ask that you would hold forever all who have suffered during war, and those who returned scarred by warfare; those who waited anxiously at home, and those who returned wounded and disillusioned mentally and physically; those who mourned and those Farming communities that were diminished and suffered loss. Remember those who acted with kindly compassion, those who bravely risked their own lives for their Comrades and who in the aftermath of war worked tirelessly for a more peaceful world. As you remember them, remember us O Lord; Grant us Peace in our time and a longing for the day when people of every language, race and nation will be brought into the unity of Christ's Kingdom! This, as always, we ask in the name of Jesus Christ our Lord and Saviour... ❤️ Amen.

Please, if you recognize that a farming friend is struggling to cope with life...for any reason call(if they ask you to!) ...or maybe they just need fellowship?...FCN(The farming community network)03000 111 999; help@fcn.org.uk The Royal Agricultural Benevolent Institution (RABI) 0808 281 9490; Samaritans free helpline 116 123
