STORES (53)

STEERS TO £960

HEIFERS TO £1110

A much smaller entry for our November sale and mainly younger Dairy types forward. A super entry of well grown Dairy bred Blue x steers & heifers 12mo from JT Jackson & Son produced some competitive bidding at £735 & £700 with their heifers at £668 & £600. Hereford 11mo steers & heifers from the same home to £655 & £635. Stronger 18mo Blue x Dairy steers from Manor & Auckland topped at £860. Fewer Angus x forward with 18mo steers from the Raymond family at £805. Only a handful of forward strong stores but plenty of trade with RJ Dacombe seeing their Simmental x steers £960 and well-shaped heifers at £1110.

A few cattle entered but not forward, it is important to make sure you contact the market office of any changes and present cattle which are catalogued. I spend Sunday contacting buyers prior to sale, to ensure the best results for all vendors, thank you,

Trevor Rowland.

Next Sale Monday 12TH December.

CULL CATTLE TO 199.50P/KG £1426

A strong trade for the cull and overage cattle at this sale. More numbers are required to develop this section. Senior cull bulls topped at 136p/kg or £1426, while North Devon cull cows to £1331 or 160p/kg! Overage steers produced lively bidding and more could have been sold. Charolais steers easily topped at 200p/kg while Simmentals were close behind at 190p/kg.

CALVES / STIRKS (95) BULLS £70 HEIFERS £70

Good numbers coming forward, the trade and demand very much seeing a reflection of the non-restricted commercial market. Buyers all counting the costs of rearing and much more hesitant than of late. Quality was generally of an average level. A few better Charolais heading towards £100 but most types £10-£40.

Please note Calves/Stirks to be sold approx. 1pm following the store cattle.

Vendors please pre book you calves/stirks so we can advise buyers of numbers forward.
