CULL COWS (88) Beef to 197.50p/kg Dairy to 173.50p/kg

AUCTIONEER: GREG RIDOUT 07817 517467 Start 12.30pm

Don't forget Frome Fatstock Show 30th November. Various classes with schedule available online or from the market office. Entries close 23rd November.

Again we have seen further deadweight reductions but the trade remains on fire. Limousin cows selling to 197.50p/kg from Morton Farm Partnership and Piddletrenthide Farms' Herefords to £1438. The entry today did certainly cater for all purchasers with smaller, plainer crossbred cows forward through to heavy meat cows. Plenty of cows trading upwards of 150p/kg and regularly exceeding 160p/kg for better sorts. A terrific run from Piddletrenthide Farms take the honours of top price Herefords at £1438 with others at £1246, £1122 and Angus at £1056. Beef Shorthorns to 155.50p/kg or £1165 from WE Pope and Charolais cows to similar levels at £1154 from KG Butt.

Dairy types saw Sparsholt College's cows max at 164.50p/kg or £1300 with LW & RJ Wyatt & Sons' British Friesian command £1184 or 173.50p/kg. Smaller, lighter framed grazing cows still continue to make 120p/kg+ even with very little shape, far in front of what you would receive on the deadweight.

BULLS (4) Max. 144.50p/kg & £1472

Cull bulls to 144.50p/kg from P & J Dennison Ltd for their 938kg Hereford and £1473 from Piddletrenthide Farms for their 1079kg Angus.

STEERS TO £1425

HEIFERS TO £1230

A great late November entry seeing a strong trade for the right types.

ORGANIC

Good numbers of Organic continuing to come forward with over 80 penned for sale again this month. A few less Organic men forward and prices a little steadier than some sales had earlier in the season. Forward stores saw some strong prices with a consignment of tremendous cattle 18-22mo from RV & SL Edmunds & Son. Their best pens of Angus steers regularly over £1100 and topped at an amazing £1405, Blue steers with good conformation at £1110 and heifers at £1055. 24mo Holstein Friesian heifers produced keen bidding at £920 and £1075.

SUCKLER COWS

A small mixed entry of suckler cows saw 12y/o Hereford in calf cows to £850 and younger Simmental in calf cows to £1060.

YOUNG CONTINENTAL

Overall I would say trade a little more easier than in some past sales however the smart suckled types sold to a keen audience. Good young Charolais from Oliver Cutts Agriculture saw their 8mo steers to £830 and heifers to £600. Neil & Sharon Glover continuing to produce great types with 6-7mo Simmental & Charolais steers to £900 and Limousins at £725. Quality high health status Charolais coming from Tim Mallett saw very competitive bidding as his steers 7mo sold to £782 with heifers at £662. Dairy x Continentals just finding life a little more difficult and needed to have good conformation to produce a trade. Older 14-15mo Charolais steers and mid range types from Willow Farm commanded firm bidding to £1090 and sold well. Smart Blue similar aged steers & heifers from the same vendor at £1015 and £850 respectively. Generally, from my auctioneers view buyers were more selective and a little more hesitant throughout the day. Many thanks to all who supported this week's sale.

NATIVE

A super entry of Native cattle forward again today. Best South Devons flew to £1245 from the Duell family with 19mo to £1120. Cracking Hereford 23mo steers to £1120 from RE & D Woodward. Best 20mo Beef Shorthorns to £1100 from Cannett Farms LLP with 17mo Beef Shorthorn steers to £1000. Best 27mo Hereford heifers to £1150 from PW CC & JC Gould. Younger 21mo to £1030 from GPR Haskell and 20mo heifers to £1000 from S Ellmers. Cracking 21mo Beef Shorthorn heifers to £972 from Cannett Farms LLP. Cracking younger Hereford steers to £748 from Sparsholt College and £695 from Neil & Sharon Glover. Quality young Beef Shorthorn steers to £678 from T Mallett with young South Devons to £695 from Litchfield Farm Partners. Young Beef Shorthorns flew to £670 from T Mallett. Younger South Devons to £600 from Litchfield Farm Partners and Herefords to £535 from Sparsholt College.
