**A great late November entry seeing a strong trade for the right types.**

### ORGANIC

Good numbers of Organic continuing to come forward with over 80 penned for sale again this month. A few less Organic men forward and prices a little steadier than some sales had earlier in the season. Forward stores saw some strong prices with a consignment of tremendous cattle 18-22mo from RV & SL Edmunds & Son. Their best pens of Angus steers regularly over £1100 and topped at an amazing £1405, Blue steers with good conformation at £1110 and heifers at £1055. 24mo Holstein Friesian heifers produced keen bidding at £920 and £1075.

### SUCKLER COWS

A small mixed entry of suckler cows saw 12y/o Hereford in calf cows to £850 and younger Simmental in calf cows to £1060.

### YOUNG CONTINENTAL

Overall I would say trade a little easier than in some past sales, however the smart suckled types sold to a keen audience. Good young Charolais from Oliver Cutts Agriculture saw their 8mo steers to £830 and heifers to £600. Neil & Sharon Glover continuing to produce great types with 6-7mo Simmental & Charolais steers to £900 and Limousins at £725. Quality high health status Charolais coming from Tim Mallett saw very competitive bidding as his steers 7mo sold to £782 with heifers at £662. Dairy x Continentals just finding life a little more difficult and needed to have good conformation to produce a trade. Older 14-15mo Charolais steers and mid range types from Willow Farm commanded firm bidding to £1090 and sold well. Smart Blue similar aged steers & heifers from the same vendor at £1015 and £850 respectively. Generally, from my auctioneers view buyers were more selective and a little more hesitant throughout the day. Many thanks to all who supported this week's sale.

## NATIVE

A super entry of Native cattle forward again today. Best South Devons flew to £1245 from the Duell family with 19mo to £1120. Cracking Hereford 23mo steers to £1120 from RE & D Woodward. Best 20mo Beef Shorthorns to £1100 from Cannett Farms LLP with 17mo Beef Shorthorn steers to £1000. Best 27mo Hereford heifers to £1150 from PW CC & JC Gould. Younger 21mo to £1030 from GPR Haskell and 20mo heifers to £1000 from S Ellmers. Cracking 21mo Beef Shorthorn heifers to £972 from Cannett Farms LLP. Cracking younger Hereford steers to £748 from Sparsholt College and £695 from Neil & Sharon Glover. Quality young Beef Shorthorn steers to £678 from T Mallett with young South Devons to £695 from Litchfield Farm Partners. Young Beef Shorthorns flew to £670 from T Mallett. Younger South Devons to £600 from Litchfield Farm Partners and Herefords to £535 from Sparsholt College.
