**STORES (102)**

**STEERS TO £1390 HEIFERS TO £1140**

What a trade! Certainly no difference in price for any of the TB Restricted cattle presented today. As normal it was the more forward cattle which saw the top line prices. A tremendous consignment from RJ Phillips & Sons which saw their Blue x steers bunches at £1370, £1235 and £1210. Limousin heifers from the same home at £1140. Good well presented Simmental x from RJ Dacombe where easily sold with steers at £1120 and heifers to £1095. Young 13mo suckled Limousin steers had a storming trade with prices easily on a par with a normal Friday sale. PJ & SL Bond saw their Limousin steers to £995.

**HEREFORD & ANGUS**

The traditional breeds very much in demand and as the finished prices continue to push to new levels the stores are following suit. Best Angus steers from PJ Phillips & Son topped at £1390 with heifers to £1120. More good Dairy x Angus from AW Doel & Sons saw 20mo steers at £1155 while heifers were dear at £1050 & £985. Deep bodied feeding Hereford steers were very well sold at £1240, 19mo Hereford x heifers saw plenty of interest at £940.

**FRIESIAN**

Very much a Friesian day today making up 60% of the overall entry. One of the best Friesian trades seen through the ring, plenty over £1100 and bunches of forward steers from PJ Phillips & Sons at £1180, £1305 and topping at a fantastic £1365. More good types from Woodbridge Farms saw steers at £1000 and a consignment of feeding heifers with bunches at £955, £932 and £900. Harder, leaner types were readily sold to a good compliment of buyers from £650 - £850. Well done to all who supported this sale.
