'May God the Creator Bless your labour...May God the Son walk with you day by day...May God the Holy Spirit inspire you with Creativity as you care for the land you farm...May God the Three in One Bless, Protect and Keep you always! Amen 🙌🙏

Last Sunday was 'Plough' Sunday! It feels important to acknowledge that this New Year has not got off to a flying start!?!...Disruptive industrial action, continuing COVID and Rampant Flu, severe cost of living challenges, war in Ukraine, Climate crises and flooding on the lower ground in Somerset...The list goes on!?! However, if possible, it's best to try and dwell on the positives in life!?! Hope is the expectation that something good is going to happen! 😊 The cartoon goes: 1<sup>st</sup> person says: Aren't you apprehensive about what the New Year will bring!?! 2<sup>nd</sup> Person replies: I think it will bring Flowers! (First person is taken aback!) Flowers, Really? Why!?! 2<sup>nd</sup> Person replies: 'Because I've planted Flowers!!'

When bombarded with negativity, it's easy to dwell on it. Lord and Creator, help us to not overlook those who plant for us!?! ... Farmers plant hedgerows, Trees and Wild flowers for the birds and provide the basic food for our survival! We plant and his daily grace waters and provides growth 🙌🙏

**2023 certainly started with a bang, a staggering trade for all cattle forward!**

### ORGANIC STORES

"Unbelievable" is all you can say about today's trade. To be fair we had some wonderful quality Organics forward for this months' special sale. First through the ring was a marvellous consignment of home bred suckled Angus steers and heifers 9mo from Lord Harvey Hylton. Demand was at tremendous levels with more Organic buyers coming to Frome and wanting these cattle. Their best pen of steers at £1080 and all averaged £1035. Heifers from the same home all over £850 and peaked at £870. Next up was a wonderful entry of homebred top quality Charolais suckled steers and heifers from Gore Farm Partnership. Everyone wanted these best of types which all showed plenty of bone and conformation. Although only 14-15mo all steers were over £1000 and the best pen at a blistering £1180. Their heifers were equally sought and bidding was furious to top at £1100. A big thankyou to all who supported the Organic section again this month. More needed please.

### BREEDING BULLS

Only one senior bull forward this week but plenty of trade and looked well sold at £1700.

### YOUNG CONTINENTAL

What a trade in this section. Quite honestly even I am running out of things to say about the recent trade at Frome. Our annual consignment of 30 quality suckled home bred Blonde steers and heifers 9 – 10mo from Alan Pike & family saw blistering prices throughout. His best Blonde steer (10mo) peaked at £1150 with plenty over £1000. His best heifers were not far behind (10mo) to £1128 and regularly from £850 - £900. Another amazing consignment from TWG Bartlett & Son of their marvellous homebred Limousins with 15mo steers regularly over £1300 - £1365, while 15mo heifers from the same home peaked at £1382. More of these great cattle wanted.

## ANGUS

Super consignment of Angus cattle forward today with best 22mo steers to £1320 from Tyler Farming Partnership. Other cracking types to £1255 from K Parkinson and £1250 from Tim & Looby Hiscock who had others to £1232. Dairy bred 20mo steers soared to £1095 from P & R Kimber. Outwintered Dairy bred Angus steers flew to £1035 from Evershot Farms. Young 23mo Angus heifers to £1252 from Tyler Farming Partnership with others to £1190 from W Green & Sons. 17mo fleshed Angus heifers from Tom & Martin Bartlett soared to £1180 with 20mo heifers flying to £1142 from PM Priddle. Younger Angus cattle very short today, with more required with a 9mo Angus steers flying to £1005 from J Ford.

## HEREFORD

I think it is probably the hottest trade for Herefords that I have seen, all ages were very easily sold and plenty more of these good Candlemas types could have been sold. No real young Herefords forward today but those middle-aged cattle 17mo + produced a storming trade. Hard outwintered 17mo steers and heifers from regular vendor John Hawkins & family easily over £1200 and topped at £1310 for steers and heifers to £1140. Nick Tyler of Tyler Farming saw his 16-17mo steers at £1260, £1185 and £1060 while heifers were £1100. Well fleshed 24mo+ forward steers were at the highest levels with those from Mike Keen & family to £1590, £1500 and £1255. Many Herefords over £1300 this week. Overall top spot went to CG Capon of the Isle of Wight who were well rewarded for making the trip with their steers at £1670!!
