IMPORTANT CHANGES TO LEGISLATION – PLEASE READ

VETERINARY ATTESTATIONS – EFFECTIVE 13TH DECEMBER 2023

What is Changing?

Changes in EU legislation, as from **13th December 2023**, will require all producers selling **livestock for slaughter** to have had an **annual on-farm veterinary visit** to allow their animals, and/or part of any animal, to be exported out of the UK. Up until now, a farmer declaration has satisfied the requirements, however from 13th December 2023, producers will require a Veterinary Attestation. This will certify that an annual on-farm visit has taken place to verify the absence of notifiable diseases and provide general advice on farm biosecurity, meeting EU requirements. The Vet will provide the producer with a unique Veterinary Attestation Number, known as a “VAN” within their certificate.

What is the “VAN” number?

The Veterinary Attestation Number, known as “VAN”, is a unique reference number provided by Vets to producers within their Veterinary Attestation certificate to certify that an annual on-farm visit has taken place. A VAN number is valid for 12 months. This information will need to be provided to livestock markets, and onwards to buyers, for livestock sold for slaughter. The VAN number is made up of 20 digits as follows, including the Vets RCVS number, the CPH number the VAN corresponds to, and expiry date. For example: **1234567-12/345/6789-0624** [*MRCVS number*]-[*CPH number*]-[*Valid to the end of June 2024*].

What will you need to do?

If you are a member of a **qualifying assurance scheme (Red Tractor Assurance)** then you do not need to do anything as a **VAN number is not required**.

If you are **not Farm Assured**, you will need to provide the auctioneers with your VAN number prior to, or on arrival at the market.

For **sheep**, this will be included on an updated official sheep movement form.

For **cattle**, we will provide an updated cattle entry form to include a place to write your VAN number if necessary.

For **pigs**, the digital eAML2 form has been updated to accommodate the VAN number. Please note that the above will include **Prime, cull and store stock** as some forward store stock goes to slaughter from store markets.

We will take a note of your **VAN number** on our market system and **this will be valid for 12 months**. VAN templates can be collected from the market office or found here:

Some not forward to flooding preventing travel. Chaplain's Prayer

Mark 10: 52-52

Jesus says to Blind Bartimaeus' **What can I do for you?** He replies 'Rabbi, I want to see' Jesus replies ' Go, your faith has healed you' immediately he received his sight and followed Jesus along the road!....

Farmers like us all need physical strength and courage to carry out their everyday job. When not fully fit, maybe due to an injury, illness or other reasons, it can make life almost unbearable 😞 The frustrations become multi- Layered, physical and mentally..

Please remember that here at the market we can help you?Have a chat with me or Paul. I wear two hats that complement each other, Chaplain and Farming Community Network(FCN) volunteer! The mantra for both is **Listen, Support and Connect**. The question that precedes all three is" **What can I do for you**"!

Here are the numbers you need if you are struggling and need help..
