IMPORTANT CHANGES TO LEGISLATION – PLEASE READ

VETERINARY ATTESTATIONS – EFFECTIVE 13TH DECEMBER 2023

What is Changing?

Changes in EU legislation, as from **13th December 2023**, will require all producers selling **livestock for slaughter** to have had an **annual on-farm veterinary visit** to allow their animals, and/or part of any animal, to be exported out of the UK. Up until now, a farmer declaration has satisfied the requirements, however from 13th December 2023, producers will require a Veterinary Attestation. This will certify that an annual on-farm visit has taken place to verify the absence of notifiable diseases and provide general advice on farm biosecurity, meeting EU requirements. The Vet will provide the producer with a unique Veterinary Attestation Number, known as a “VAN” within their certificate.

What is the “VAN” number?

The Veterinary Attestation Number, known as “VAN”, is a unique reference number provided by Vets to producers within their Veterinary Attestation certificate to certify that an annual on-farm visit has taken place. A VAN number is valid for 12 months. This information will need to be provided to livestock markets, and onwards to buyers, for livestock sold for slaughter. The VAN number is made up of 20 digits as follows, including the Vets RCVS number, the CPH number the VAN corresponds to, and expiry date. For example: **1234567-12/345/6789-0624** [*MRCVS number*]-[*CPH number*]-[*Valid to the end of June 2024*].

What will you need to do?

If you are a member of a **qualifying assurance scheme (Red Tractor Assurance)** then you do not need to do anything as a **VAN number is not required**.

If you are **not Farm Assured**, you will need to provide the auctioneers with your VAN number prior to, or on arrival at the market.

For **sheep**, this will be included on an updated official sheep movement form.

For **cattle**, we will provide an updated cattle entry form to include a place to write your VAN number if necessary.

For **pigs**, the digital eAML2 form has been updated to accommodate the VAN number. Please note that the above will include **Prime, cull and store stock** as some forward store stock goes to slaughter from store markets.

We will take a note of your **VAN number** on our market system and **this will be valid for 12 months**. VAN templates can be collected from the market office or found here:

For any enquiries, please contact your local vet or a member of the team at Frome Market.

STEERS TO £1515 HEIFERS TO £1295

A decent show of store cattle forward for the first sale in December. Some cracking consignments of forward store cattle selling to a very competitive trade with the best £1350-£1500. Medium framed cattle a fair trade. More wanted next week.

COWS & CALVES

Limited cows and calves forward but a super trade for grand types from BM Heal & Sons seeing their Blue x Hereford with Angus heifer calf top at £1520!!

ORGANIC

A small entry of organic forward on what was a non-organic day created a blistering trade throughout. P & P Brewer presented some of the best Angus seen in recent times; their 17mo steers saw several pens over £1300 and two pens over £1400 topping at an excellent £1450!

YOUNG CONTINENTAL

Obviously as the year comes to a close the number of single suckled young continentals are limited but demand for the few on offer was exceptionally strong. Quality was the key and buyers were well prepared for the good sorts. John Fielding of Fielding & Son, Devizes, presented super young 7mo Limousin steers and heifers which were keenly sought and saw steers top at £930 and heifers at £845. Dairy x Continentals sold well providing the quality was high. Messrs Pittard Partners saw their entry of quality well bred Blue x 12/13mo 'R' conformation steers and heifers sell at excellent levels. Best pens of steer at £1045, £915 & £910; heifers from the same home to £860. Overall, a very good day in this section and more quality could have been well sold.

ANGUS

What a show for the time of year with the exceptional demand staying strong. Best quality sold to a fast trade with competitive bidding forcing prices beyond expectations. Younger quality conformation steers met a premium selling for £1505 to £1515 (21mo) all from S Newman & Son of Seend, closely followed by Rob Cary & family of Shepton Mallet with their well-presented steers selling to £1415 and their younger steers also keenly sought to £1235 (23mo). Other good conformation steers sold well to £1210 (20mo) for Will Weaver & family of Frampton Cotterell and £1100 for GW & M Pike & Sons of Swanage. Well bred and fed Dairy x yearling steers also a highlight selling to £910 (12mo) from Pittard Partners of Sherborne and £790 from AJ Foot of Dorchester. Heifers wanted with all ages selling to a premium. Forward heifers met a keen trade selling to £1185 (26mo) from W Green & Son of Horningsham and £1145 (only 20mo) for Will Weaver & family. Good bulling heifers also wanted and sold to £1130 for GW Pike & Son and £1055 (22mo) for Rob Cary & family. Well presented yearling heifers also in demand with the best Dairy x to £775 (12mo) for Pittard Partners of Sherborne and younger heifers to £530 for FS Butcher of Devizes.

HEREFORD

A solid trade for Hereford with plenty of competition and demand. Forward heavy types to £1238 for Emma Dow for a pair at 22mo. Similar quality for GW & M Pike & Son to £1220 and £1195 again for Emma Dow. Hereford heifers for GW & M Pike & Son to £1178 for a pen of 6 with cover and £1100 for W Green & Sons. Steers to £850 for medium framed sorts for J Wake and £770 for AJ Foot.

FRIESIAN & FLECKVIEH

Fleckvieh steers stole the show with the best selling from £1325 to £1390 (26-27mo) and others from £1260 to £1290 (25mo) all from HJ Moody & Son of Henstridge; their similar heifers also met fast bidding to £1150. Holstein steers also sold well to £1070 (23mo) from C & R Padfield of Melksham and £1000 from

HJ Moody & Son. Other harder Holsteins also wanted to £635 from Virgin & Sons and younger steers to £490 (16mo) from Board Family Partnership Ltd of Yeovil.

FORWARD CONTINENTAL

A good show of cattle to start December with trade outstripping supply. Many more wanted to satisfy this strong demand. Quality consignments from Will Weaver & Family of Frampton Cotterell met a fast trade with their Simmental steers selling to £1400 (only 21mo) and their Limousin steers to £1255, £1285, £1290 (twice) and £1335 (only 20-22mo). Their Charolais steers also keenly bid to £1200. A similar quality entry from HJ Moody & Son of Henstridge met a similar trade with their Blues selling for £1305 (24mo) to £1390 (25mo). Younger Blondes from Emma Dow of Petersfield also received excellent attention with fast bidding to £1195 (only 16mo). Heifers equally in demand with Will Weavers Limousin heifers a highlight selling for £1250-£1295 (22 -23mo), his Charolais heifers to £1235 (20mo), Simmental heifers to £1190 (20mo) & Blue heifers to £1150 (22mo). Stronger Simmental heifers wanted and sold to a tremendous £1285 (28mo) for GW & M Pike & Son. Older Blue heifers also sold well to £1125 (31mo) for Martin Gibbs of Wells and Blue bulls to £1025 from F Pearce & Son of Devizes. Younger Blonde heifers met a premium to £1070 (only 15mo) from Emma Dow.

FARMING IN PROTECTED LANDSCAPES

A FUNDING PROGRAMME
FOR FARMERS & LANDOWNERS

Open for applications until January 2025

DO YOU HAVE A GREAT IDEA ?

- Promoting connectivity between habitats -
- Increasing in farm biodiversity - Actions to improve soil health -
- Creating wetlands to support a variety of wildlife and reduce flood risk -
- Help the public develop skills in land management -
- Creating walks providing new access opportunities -
- Innovative equipment or farm practices to transition towards regenerative agriculture -

FUNDING
AWARDED

£1,000 to £150K

Cranborne Chase AONB administers this Defra funded programme. Farming in Protected Landscapes runs until the end of March 2025 and is part of Defra's Agricultural Transition Plan.

Cranborne Chase
Area of Outstanding
Natural Beauty

Please have a look at the Farming in Protected Landscapes pages for further information.

www.cranbornechase.org.uk

Your project must meet **at least one** of the outcomes listed below and at least **one of the objectives** of the Cranborne Chase AONB Management Plan. Scan here to view.

CLIMATE

- More carbon is stored and/or sequestered
- Flood risk is reduced
- Farmers, land managers and the public better understand what different habitats and land uses can store carbon and reduce carbon emissions
- The landscape is more resilient to climate change

PEOPLE

- There are more opportunities for people to explore, enjoy and understand the landscape
- There are more opportunities for more diverse audiences to explore, enjoy and understand the landscape
- There is greater public engagement in land management, such as through volunteering
- Farmers and land managers feel increasingly comfortable with providing public goods

NATURE

- There is a greater area of habitat improved for biodiversity
- There is an increase in biodiversity
- There is greater connectivity between habitats
- Existing habitat is better managed

PLACE

- The quality and character of the landscape is reinforced or enhanced
- Historic structures and features are conserved, enhanced or interpreted more effectively
- There is an increase in farm business resilience (you must deliver this equally balanced with other outcomes)

Applications for over £10,000 will be judged by a Local Assessment Panel. The Panel of 8 to 12 people includes representatives from Cranborne Chase AONB, Natural England and the farming and land management community as well as local specialists. The panel meets every 6 to 8 weeks. Applications for less than £10,000 are decided upon by a senior member of the AONB team (who has no prior knowledge of the project). **All projects are to be completed by 31st March 2025.**

Quotes must be received for each element of work in every application where Countryside Stewardship rates or rates from other agricultural support streams do not apply.
