Not big numbers of Friesian this time but plenty of trade for those forward. All were older 16-24mo types which saw the big feeding men very keen. Super warm nice Holstein Friesian types from Martin Gregory very close to £2000 at £1940. Younger Holstein Friesian from LO Clothier & Sons at £1300 - £1340. Pete Gould & family again producing quality British Friesians at £2425. Closely followed by Keith Romain at £2020. No real young good summering Friesians on offer today which could have been well sold.
