BLUE TONGUE UPDATE WEDNESDAY 16TH APRIL

DEFRA have extended the temporary easing of pre-movement testing for Blue tongue for non-breeding livestock leaving the restricted zone. Specific licence EXD632 is still required but non-breeding cattle, goats and sheep over 60 days can now move without a BT pre-movement test. Only the following animals still require testing:

- Entire males intended for breeding
- Pregnant females (or pregnancy status unknown)
- Stock aged 60 days or younger (unless travelling at foot with the maternal dam where the maternal dam should be tested by PCR and ELISA)

This is a temporary change that will apply until 15th May 2025. DEFRA reserve the right to withdraw the extension at any time should new disease be confirmed.

FLA ANNOUNCEMENT

The Directors of Frome Livestock Auctioneers (FLA) sadly inform our loyal customers and followers of the news that Bradley Towell will be leaving FLA at the end of June for pastures new. Brad and his wife Phylli have been given an amazing opportunity to expand their family farming business and have decided to prioritise this in their lives.

We would like to take this opportunity to thank Brad for his loyalty and hard work since he joined us in his roles as senior auctioneer and managing director, which have undoubtedly contributed to the market's growth and the positive position it is in today. He leaves Frome Livestock Market in very good shape and still on the rise as witnessed in recent months by the increase in stock numbers and, of course, the fantastic trade we have seen for all classes of stock, in particular Store cattle. Business will continue as normal in the hands of the very capable and well-established team.

Although we are sad to see Brad go, we understand and are fully supportive of his decision. We wish him and his family all the very best in this new chapter of life on their farm in Dorset.

Chaplain's Prayer

"He is indeed Risen"... Easter's message of hope is especially needed all over in these times! It reminds us that out of darkness comes light! Also that the risen Christ meets us in the everyday...just where we are...on the farm, on the road, out and about and in our homes ❤️ May we get communities that carry that hope(for better things to come) with gentleness, love and courage. This Easter we fervently hold on to the promise that resurrected life is real; not only in the life of Christ, but in the life of our Churches, our communities, and the countryside we serve together! We remember the lost and homeless, honouring the Courage, Strength and determination of those (genuine) refugees forced to flee their homelands under threat of persecution and conflict; those that yearn to find a home of safety and Love ❤️

'God Creator of all, for people who are displaced, may they find a safe refuge. For those who have lost control of their lives, may they know a sure foundation. For people who live in fear, may they be given a strong fortress. For people who are disillusioned, may they have hope in a future? Loving Father God in times of Crisis, Sorrow and uncertainty we ask that you draw near...Amen ❤️
