CULL COWS/OTM'S (22) to 287p/kg and £2005

AUCTIONEER: TREVOR ROWLAND 07968 480401 Start 12.30pm

Short on numbers this week and generally lesser quality throughout than last weeks sale. As the dead weight prices ease, buyers and trade slightly more uncertain. Super Dairy Shorthorn steaking cows still over 280p/kg topping at 287p/kg from KJ Osborne & Partners. Thick young Irish Friesian cows up to 282p/kg. Plain Friesian Holstein black & whites a bit harder to place 160 – 200p/kg and eased on the week. Handy meat Friesian 240p/kg – 265p/kg generally. Herefords regularly 260 – 270p/kg and buyers were keen for these types particularly wanting heavier fleshed sorts. Although pence per head was back on last week, this was due predominantly to bigger numbers of plain cows forward for sale. Best meat cows £2000 or very close to this.

Vendors: Please help us to keep buyers informed regarding likely entries of stock, phone the market office 01373830033 or auctioneer Trevor Rowland 07968 480401 on Tuesday to notify of any entries. Help us to help you. Many thanks. Trevor Rowland.

DAIRY (64) Start 11am

AUCTIONEER: TREVOR ROWLAND 07968 480401

Calved Heifers £2550

What a wonderful day in the Dairy section. All sections were supported with real quality types throughout and all produced a superb trade with plenty of bidders and buyers around the ring. A number of excellent consignments were forward all from local vendors. First through the ring was home bred Holstein Friesian calved heifers from NR & D Norris. These quality heifers averaged over £2300 and peaked at £2580 for a 'Tulare' bred daughter. The 356th daughter from the 'Handson' blood line sold to £2400. We had two excellent consignments of in-calf heifers today. Firstly, we saw Tim Rawlings July – September calving Friesian Holstein heifers all were well grown calving at 2 and a half years to Angus. These were twice over £2200, topping at £2270 and averaged £2120. Next through the ring was another top consignment of 20 well-bred quality late June/July drawn calving heifers from Radstock Co-op Society due to sexed semen and Beef, these found tremendous interest. Plenty of these topped £2000 with the best £2300+ producing an average of £1983 . Following the in-calf heifers was a grand consignment of 35 Holstein Friesian bulling heifers again from Radstock Co-op Society. A pleasure to see such a nice entry and all created a lively trade topping at £1220 and averaged £1099.
