BLUE TONGUE UPDATE WEDNESDAY 14th MAY

DEFRA have extended the temporary easing of pre-movement testing for Blue tongue for non-breeding livestock leaving the restricted zone. Specific licence EXD632 is still required but non-breeding cattle, goats and sheep over 60 days can now move without a BT pre-movement test. Only the following animals still require testing:

- **Entire males intended for breeding**
- **Pregnant females (or pregnancy status unknown)**
- **Stock aged 60 days or younger (unless travelling at foot with the maternal dam where the maternal dam should be tested by PCR and ELISA)**

This is a temporary change that will apply until 30th June 2025. DEFRA reserve the right to withdraw the extension at any time should new disease be confirmed.

PRIME CATTLE (23) to 379p/kg and £2382

AUCTIONEER: TREVOR ROWLAND 07968 480401 Start 12.30pm

Rather like the cows, there was more keenness in the bidding this week and a general feeling that demand is about to strengthen. More good quality 'R' grade Continentals forward with a super consignment from TJ Rowland (Farms) Ltd. These quality types saw plenty of steers and heifers in excess of 370p/kg and topping at 380p/kg! O+ type heifers 580-650kg having a firm trade 335-350p/kg and look well sold., A few more cattle £2000+ this week and more men around the ring looking for stock.

CULL COWS/OTM'S (24) to 290p/kg and £2503

AUCTIONEER: TREVOR ROWLAND 07968 480401 Start 12.30pm

A good entry in the cull section with plenty of better meat cows on offer this week. Generally, trade seeing a lift of approximately 10pkg on the week and more could have been easily sold. Export, deep bodied cows, dairy bred often 250-270pkg and some super cows from R L Clapp & Sons and Pittard Partners over 280pkg topping at 287pkg for Pittard Partners. Plenty of cows grossing over £1900 with RL Clapp & Sons seeing prices to top at £2503!! Steaking cows (providing well dried off) easily 260+pkg. A strong consignment of beef cows from Scott Yorke saw Angus x Blue cows peak at 290pkg. Boning cows 160-180pkg and were well sold. Plain cows wanted 200-235pkg. Feeding cows seeing improved prices 240-270pkg. The overall average showed the quality of the cows on offer this week and settle at an excellent £1760.

IMPORTANT REMINDER! Please remember you **do not** have to TB test barren cows. We have an **untested** section so cattle can come straight off the holding to market.

Chaplains Prayer

Genesis 8:22

Hear now the promise of God: 'As long as the Earth endures...seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease!'

This week we remember with gratitude all those in the farming community who are working to secure **Seasonal Labour**

Especially the NFU... They helped secure a five year extension to the **Seasonal Workers Scheme**. Seasonal workers visa arrangements had previously been extended until the end of 2024!! They have ramped up the pressure for the vital certainty farm businesses need to profitably run their enterprises. Many more visas will be granted ...also in our huge Horticultural sector! We also especially think of those affected by bad weather conditions or a poor yield...or who are finding it difficult to cope with life for any reason? We pray too for all those caught up in the violence and suffering in the Holy Land and the Ukraine/Russia war.. Please God grant them Hope and Peace and an end to the conflict there 🙏

We Bless you, God of seed and Harvest, and we Bless each other, that the beauty of this world and the omnipresent Love that created it, might be expressed through the way in which we live our lives and always be a Blessing to others, now and always, Amen ❤️

It in no way minimises the stress of farming folk having to live and cope with BTB on their farms, and being under the restrictions of Blue tongue with all it entails...but there seems to have been a reduction in the number of cattle slaughtered in England by 21%?...the first time there's been an annual dip under 20k since 2008. This is mainly due to more effective wildlife controls targeting infection.

Even the smaller dog breeds can cause immeasurable damage in a flock of sheep...proposed legislation is looking to give police extra powers of entry to take evidence samples from dogs, and to seize them when necessary. Unlimited fines are also on the agenda for amendments to the **Dogs..protection of livestock Bill**.

If you feel you'd like to chat and seek advice about **anything worrying you**, then here's the numbers you can contact for help!?
