**211 STORES 26 FAT 4 CULL
313 CALVES & REARED CALVES
STEERS TO £1960 HEIFERS TO £1885**

A good entry of stores for our July TB sale. Well presented and fed cattle continuing to sell well, however a number of stock showing signs of the lack of grass, these being generally harder work.

PRIME CATTLE (26) Max.351.5p/kg £2633

A good entry of finished cattle forward this month with a nice consignment of mainly Hereford x steers and heifers from Pipplepen Farm. Although non-assured, trade was lively for these butchers types. Plenty of handy weight steers (500-600kg) 330-340pkg with lighter weights under 500kg 340-343pkg and steers £1700-£1900. Heifers were very well covered and slightly fat in some instances but never the less all sold well. Thick over 30mo heifers full of meat topped at over £2200 and often 300-340pkg. 500kg+ under age Hereford heifers grossing £1750-£1920 330-351pkg. 'R' 4L grade quality Angus from Lockerley Hall Farm to 337.5pkg grossing £1950! Gloucester x rigs to £2241 with smart under 30mo Angus £2400 - £2633. Overall, a very satisfactory trade in this section.

CULL COWS Max 300p/kg £2449

Only a small entry but plenty of trade and more could have been sold well today. Thicker Hereford x cows from Pipplepen to 287.5pkg. Angus x steaking cows from W Stitch to 264.5pkg. Very smart 'U' grade Blue cows from Andy Gale saw wonderful competitive bidding to 300pkg.

STORE CATTLE (211)

Another well supported store cattle section for our July sale. As the very dry spell continues to bite harder by the day it was however a surprisingly lively trade throughout. A very good compliment of buyers were in attendance with new purchasers forward for this sale.

HEREFORD AND ANGUS

Not the numbers of stronger cattle present this time but those that were forward sold to an advantage. Deep bodied well grown Angus steers 16mo from M Sawyer were keenly sought to £1960, while more dairy types from regular vendor PJ JM & A Eavis £1760 and JC & MJ Mayo at £1500. Smaller longer term Angus steers £800-£1180. Short term Angus heifers with good coverage were wanted and nice sorts from Mayo & Son to £1885 closely followed by M Sawyer £1730. Lockerley Hall Farm saw their sweet well-shaped Angus heifers 14-15mo to a strong £1585. Fed 10-12mo heifers from Vince and Langdon Turner to £860. Herefords varied in quality but all sold well. Good strong steers from JR Griffin Devizes topped out at £1880 and £1500. Very few Hereford heifers today and those forward lacking in conformation generally £1200-£1400.

CONTINENTAL

Mainly Blues in this section and to be honest a number of well-shaped cattle were forward. As with the rest not too many older types but trade very firm. Quality 'R' grade steers 16mo again from M Sawyer to £1900!! Younger types £1585 with most £1300-£1500 and smart heifers from the same vendor £1800-£1700. Pete Evans Blue heifers £1635 and Mayo & Son £1205. Overall, a better than anticipated trade throughout. Thank you to all who supported today.
