PRIME CATTLE (29) to 369.5p/kg and £2476

AUCTIONEER: TREVOR ROWLAND 07968 480401 Start 12.30pm

UTM STEERS (12) Max.369.5p/kg UTM HEIFERS (17) Max. 359.5p/kg

The July trade continuing to hold and most best types 340-370p/kg again today. Generally we need more well fleshed thicker types but, never the less, plenty of demand around the ring. Good suckler bred Continental steers coming from the Hicks family were wanted and regularly 350-370p/kg but the continued dry spell and lack of grass now beginning to show with cattle. Younger 16mo sweet South Devon steers from Potticks Pigs for the local butchers trade to 347.5p/kg. Traditional Angus steers with strong weights sold to an advantage with deep bodied steers from Waddon Farm Ltd seeing £2360! Lighter types from the Webb family 334.5p/kg just under £1900.

Nice Continental type heifers again from the Hicks family 340-360p/kg. Heavy thicker fleshed Angus from Waddon Farms Ltd at 351.5p/kg and topping over £2200 with their Simmental x at £2331 (347.5p/kg). Heavy, deep bodied Hereford heifers 349.5p/kg from RG Perkins & Son. Traditional Red Devon butchers heifers sold well from AJ Monro in excess of £2000 and saw competitive bidding. Overall, as with the steers, just a few more well fleshed types needed to extract the best out of the trade.

Close to 60 head penned for sale again this week. Trade overall I felt was a tad firmer with generally more middle range cows on offer. Not the number of heavy fleshed export black and white cows available this week but the few on offer seeing prices 250-260p/kg with DO Webb and KJ & CP Dunn both seeing prices at £1800. Plainer Friesian holding firm 150-170p/kg and looked well sold again this week.

More beef cows forward for this sale and all sold to good demand seeing more new buyers around the ring. Younger 44mo 'slip' cows/heifers easily sold today with Angus and Hereford all over 270p/kg and topping at 310p/kg from P Reynolds. Friesian slip heifers under 36mo had a strong trade at 327.5p/kg. Chaplains Prayer

A Farmers Prayer: As I rise with the dawn, I drink in the morning! I taste the goodness of your creation and smell the crispness of new beginnings 😊 I sense you beside me, my good shepherd watching over me as I care for the farm. I whistle a tune of praise as I go about my work! I feel Blessed to walk in the long lived rhythms of sowing, feeding and reaping. Fill me anew today and every day Lord with your Spirit. Give me strength and Health when I feel tired or weary. I release my anxious thoughts and worries to you, knowing that you hear my prayer! Please Bless my farm, my home, my family. Bless the work of my hands. 🙏 Please remind me each morning to give thanks to you Anew, my Lord and saviour! 🙏❤️ (Anon)

Can you help train robots to spot slugs!!!? I saw this intriguing article...and thought I'd share! (DEFRA are funding this to tune of **2.6m**)! This data will enable researchers to refine pellet usage by specifically targeting only the patches where the pest gathers, thereby promoting more sustainable pest management! If you think how much damage these little critters can wreak, then this could be money well spent!

If you or anyone you know are suffering anxiety, and finding life overly difficult .. please contact these agencies and get help!?

This week we pray for all people we know with **Disabilities...and Life Changing injuries**. Also for those who support them in any way. We also give thanks for the great courage and resilience of many people who live with disabilities... particularly within our Farming community. July has been designated **Accessible Outdoors Month**, a campaign that draws our attention to the ways in which disabled people across the UK are getting active outside in ways that work for them! As I write, some areas mainly in the East and Northern areas are receiving heavy thunder storms! Let's pray it moves our way this coming week (21-28th)

Please remember to 'look out' for your neighbour? A phone call or just pop in can make all the difference
