## Chaplains Prayer

Chaplains prayer:

"I can do everything through him who gives me Strength!" (Phillipians 4:13)

Loving Father, we give thanks for the resources of the earth that we till. You have given us riches for all humanity? We pray for all those whose livelihoods are threatened by disease, falling prices, fuel and fertilizer costs, weather conditions etc....

Enable each one of us to be aware of our neighbours who may be struggling to cope on a business/personal level and assure them that help is always at hand...

You may have heard of 'The **Addington Fund**' ...They have launched their **Emergency Dry Weather Appeal**..Many are struggling to feed Livestock due to the drought? The **Addington Fund** may be able to help with a one off **Grant** or supply of **feed/fodder/straw** to help prevent animals suffering from lack of feed or bedding? ...see their website [www.addingtonfund.org.uk](http://www.addingtonfund.org.uk) for details of how to apply.. and if perchance you do have spare fodder or straw you could donate, please visit their **Forage aid** site to pledge [forageaid.org.uk/donate-apply-livestock](http://forageaid.org.uk/donate-apply-livestock).

As I write it's raining(30<sup>th</sup>Aug) which is most welcome indeed!! 🙏 its also been **World Water** week.. inviting us to manage water at a time of challenge and scarcity!? Here at home we pray for all in our farming and grower community who are being adversely affected by the extreme weather...
