Chaplains Prayer

A Prayer for Animals: 'The righteous care for the needs of their animals, but the kindest acts of the wicked are cruel' proverbs 12:10

Lord help and enable us as custodians of all that live in or on our land to treat all animals with the care and respect which as God's creatures they deserve!

New legislation to severely crack down on the cruel practice of Hare Coursing is Long overdue, but the Good news is that new rules came into force on recently! Hare Coursing attracts other Criminality into the countryside also..... Theft, damage to property, violence and intimidation to name a few. Catching them can be difficult, but living on the farms it's our responsibility to keep our eyes open and help stamp it out completely.

Woodland regeneration seems to be well on the way, especially round the existing large forests in UK? There's 44.5m to give to those that qualify for planting. Lot's of plus points: in certain areas it helps reduce flooding, UK needs more sustainably grown timber, more area for nature and Biodiversity. Aiming to reduce CO2 to net Zero by 2050!? And of course more jobs in forestry too..

This month is **Organic September** it's the UK's largest annual campaign to support **Organic Farmers and Producers!** Led by the soil association, it aims to raise awareness of organic products and the brands, producers and farmers who distribute them!?

'Go eat your bread with enjoyment..and drink your wine with a merry heart...for God has long approved what you do'(Ecclesiastes 9:7) We ask his blessings on all farmers and other growers involved in this burgeoning sector 🙏🐵

If anyone needs help or support with any problems please do contact: The farming community network 03000 111 999 help@fcn.org.uk, RABI 0808 281 9490, Samaritans, 365 days a year 116 123 jo@samaritans.org

I can be contacted on 07880770887 😊👉🙏 The tickets (£10) will be available for the Harvest supper and celebrations as soon now as possible! Date: Wednesday October 22...

Take care, and God Bless!
