STEERS TO £2180 HEIFERS TO £2130

Over 450 cattle penned and sold today with some fantastic single suckled consignments presented.

COWS & CALVES

Only one set forward but a good trade and more could have been well sold, topping at £2180.

ORGANIC

Although not an organic official sale we had 20 forward and trade very strong. Good Angus steers from RJ Vincent & Son easily at £1500 and heifers to £1340 and although had seen a difficult summer sold to a strong trade. Young single suckled Charolais steers and heifers 7mo from Eweleaze Farm Ltd saw marvellous bidding seeing steers at £1200 and heifers at £970.

YOUNG CONTINENTAL

Well, what a day in this section! An absolutely crammed sale ring saw trade at the very highest levels. Quality was the 'name of the game' and we had plenty penned to offer bidders. It was the turn of the suckled calves today and all created huge interest. This sale saw the annual consignment from West Amesbury Farms of 100 outstanding quality (mainly Charolais) suckled calves. Although it has been a very dry hard summer the cattle looked superb! So many buyers vying for positions around the sale ring to buy these best types. At just 6-7mo demand was incredible and the first 30 steers were above £1200 and many £1400-£1500. Top spot was £1600 for an outstanding Limousin steer! Others keenly sought with buyers from Oxford to Shropshire all wanting these top cattle, with many pens of steers £1300-£1500, smaller pens of 6mo Charolais steers £1000-£1200. In some ways I felt the heifers were dearer than the steers, at only 6/7mo many pens in excess of £1100 and peaked at £1230. Regular supporter John Gray again presenting quality suckled calves ranging £800-£1000 at 8mo. Some good consignments of dairy cross younger continentals forward today and in particular Blues. Andy Pobjoy & Family enjoyed a blistering trade with 20 "R" grade Blue steers all over £1100 and best pens at £1440 at 10/11mo. Other good well grown Blue steers from Rob & Julia Banwell 11mo to a massive £1560. Overall a really outstanding day in this section.

FRIESIAN

A good selection forward with all grades wanted, framed Holsteins continue to sell to advantage with 16mo steers selling to £1360 for JC Gay & Son of West Harptree and others to £1040 for RC Few & Son of Longbridge Deverill. Danish Reds wanted selling to £1220 (15mo) from DA Lee of East Lydford. Forward Holstein heifers also keenly sought after selling to £1580 (19mo) from Merryfield Farmers of Shepton Mallet and £1315 (21mo) from PT Gregory of Corsham. The highlight of the day was for Kenton & Charlotte Bennett of Sturminster Newton with their well presented yearling Holstein steers selling to £1180 (13mo) and their Swedish Reds equally selling well to £1180. Their younger Holsteins also well placed from £930 to £990 (11mo).

Chaplains Prayer

May the Lord Bless You and keep you(safe) May the Lord make his Face shine upon you(bring you good fortune)and be Gracious to you! May the Lord lift up his countenance upon you...and **Give you Peace** 🙏 Numbers 6 25-28

Farmers and people living in rural communities are being urged to look out for early signs of **Cancer** and get checked out if they have **Any Symptoms?** FCN and Macmillan Cancer Support launched '**Nipit in TheBud**' a while ago...a campaign designed to raise awareness. A lack of time or availability of services, particularly in more isolated rural areas can make it difficult to speak timely to a GP? **Earlier Diagnosis** will increase chances of it being cured and will mean less invasive treatment! **Nipit in the Bud** provides a range of resources for Agri- businesses, Ag colleges, YFCs and others to download . Some of these are focused on specific Cancers that farmers can be more at risk of developing...such as **Skin Cancer, Prostate or lung Cancer** 😞 We remember all those who are finding life difficult, maybe having lost a loved one this last year 😞 Also those separated from one another by conflict, divorce or any other reason.

If you would like/need prayer or just someone to talk to in your difficulty...here are some contacts available all year round!? ❤️ **FCN 03000 111 999**, help@fcn.org.uk They will listen non judgementally and try to help you in your difficult situation ...**RABI 0800 188 4444** (financial support, practical care and guidance to farming people of all ages) **Open Mental Health 01823 276892**(24h day, 7days a week) **Samaritans 116 123**, jo@samaritans.org You may have a 'gut instinct' that someone you know is not ok, or perhaps noticed change in their behaviour:

Declining interest in their work, in personal appearance, catastrophic or negative thinking, withdrawal from social events, family and friends? Stress in the family ie finances, inheritance? Sleep difficulties, reliance on medication, alcohol or drugs, irrational thinking, such as continuous focusing on worst-case outcomes?, difficulty in making decisions...both big and small? **Please don't ignore the signs!** If they won't open up to you, maybe confide with someone who can help?

Harvest supper/service and auction is only ten days away now here at the market!? It's on Wednesday 22 Oct at 7pm.. There's an opportunity too to have a look round our soon to be opened Health Hub beforehand!

"Come ye thankful people come, come, raise the song of harvest home: all is safely gathered in, ere the winter storms begin; **God, Our Maker, doth Provide for our wants to be supplied:**

Come to God's own temple, come; raise the song of **Harvest Home!**" 🙏🙏

I can be reached on 07880770887..or at the market on Wednesdays .

Blessings to you all... Remember your neighbour as you would yourself 🙏❤️ Neville Dyke(chaplain to Frome Livestock Auctioneers, Standerwick)
