AUCTIONEERS:

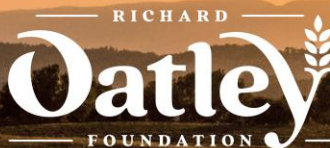

Supporting Agriculture & Rural Communities

The Richard Oatley Foundation is delighted to be supporting the Frome Fatstock Show 2025, and would like to join the organisers in welcoming you to this wonderful event.

This year is a particular special year for the Foundation, as we open our Richard Oatley Wellbeing Centre on the Frome market site. The new building represents an investment of over £400,000 by the charity to provide a health and wellbeing facility for farmers and all agricultural workers in the area.

The Richard Oatley Wellbeing Centre will be the permanent home of the Frome Market Health Hub who will continue to deliver their invaluable services right in the centre of the market. The Health Hub trustees intend to further develop and grow their offering, ensuring that the farming community can access the health provision they need.

In addition to the Health Hub, the Richard Oatley Foundation will welcome other charity partners to the building and will encourage them to provide their services and support to market users and the wider farming community. We look forward to the Farming Community Network, Macmillan Cancer and the Royal Agricultural Benevolence Society, together with the Frome Lions and their associated charities, all making good use of our wonderful facility.
