Chaplains Prayer

This prayer is especially fitting for a farmer 😊

‘Your Spirit, Lord, is around me in the air I breathe; your glory touches me in the light that I see and the fruitfulness of the earth and the joy of its creatures! You have written for me your revelation, as you have granted me my daily bread; teach me how to receive it with gratitude, thanks and Joy!

This morning as I write (5 Jan) it's very cold still... but as the sun comes up it becomes very pleasant! Protecting water pipes on the farm is a priority in this weather...I remember trudging around with buckets of water to stock pens where the supply hadn't been protected in the event of severe frost!!

Here's numbers you will need if you need help with farming or familial problems that you are struggling with and are getting you down 😊 **FCN: 03000 111 999** help@fcn.org.uk **RABI 0800 188 4444, Open mental health: 01823 276892, Samaritans: 116 123, jo@samaritans.org**

I came across this very appropriate poem entitled ‘**Don't Quit**’: When things go wrong as they often will, when the road your trudging seems all uphill; When the funds are low and the debts are high and you want to sigh; when all is pressing you down a bit, rest if you must but don't you quit... Success is failure turned inside out, the silver tint on the clouds of doubt! And you can never tell how close you are ...it may be near when it seems far? So...stick to the fight when you're hardest hit, cos it's when things go wrong that **you must not quit!?**

17% of farmers still don't have a formal succession plan in place! in these days of uncertainty it's even more important now to have one. An **Open and Honest Discussion** with all concerned is best way to start! This gives everyone **Hope and Encouragement**. There's lots of help out there ...but you have to initiate it and get things started! 😊

I can be reached on 07880770887 😊 Remember to check on a neighbour you may not have seen in a while. Please remember to use our Health Hub at the market!? **It's There for You!**

Blessings and love to you all ❤️ ...and a **Happy and Prosperous New Year!!**
