Chaplains Prayer

"As long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night **Shall never cease....**" Genesis 8:22.

These are the certainties, as farmers, in fact all humanity has to accept, until the end of time! We are not alone though... **Trust God** that in what he has given you, he gives you the **Grace and the Strength and Courage** to use fruitfully! 🙏

Farmers and people living in rural communities are being urged to look out for early signs of **Cancer** and get checked out if they have **Any Symptoms?** FCN and Macmillan Cancer Support launched '**Nipit in TheBud**' a while ago...a campaign designed to raise awareness. A lack of time or availability of services, particularly in more isolated rural areas can make it difficult to speak timely to a GP? **Earlier Diagnosis** will increase chances of it being cured and will mean less invasive treatment!? **Nipit in the Bud** provides a range of resources for Agri- businesses, Ag colleges, YFCs and others to download. Some of these are focused on specific Cancers that farmers can be more at risk of developing...such as **Skin Cancer, Prostate or lung Cancer** 😞 Please do visit the **Health Hub** at the market to see someone who can help or advise you! (2nd and 4th Wednesdays)

If you would like/need prayer or just someone to talk to in your difficulty...here are some contacts available all year round!? ❤️ **FCN 03000 111 999**, help@fcn.org.uk They will listen non judgementally and try to help you in your difficult situation ...**RABI 0800 188 4444** (financial support, practical care and guidance to farming people of all ages) **Open Mental Health 01823 276892** (24h day, 7days a week) **Samaritans 116 123**, jo@samaritans.org

You may have a 'gut instinct' that someone you know is not ok, or perhaps noticed change in their behaviour: Declining interest in their work, in personal appearance, catastrophic or negative thinking, withdrawal from social events, family and friends? Stress in the family i.e. finances, inheritance, Sleep difficulties, reliance on medication, alcohol or drugs, irrational thinking, such as continuous focusing on worst-case outcomes, difficulty in making decisions...both big and small?

Please don't ignore the signs! If they won't open up to you, maybe confide with someone who can help ❤️

The APHA visit on the 28th went well! It was held after all in the area alongside the restaurant. They had a few appointed visits, but lots of walk-ins too! Thank you to Kate for allowing us to use the area...and everyone else involved.... especially Martin Hemmet who did the posters!

I can be reached on 07880770887..or at the market on Wednesdays.

Blessings to you all... Remember your neighbour as you would yourself 🙏❤️ Neville Dyke(chaplain to Frome Livestock Auctioneers, Standerwick)
