137 STORES 44 CULL  
99 CALVES & 40 REARED CALVES

Despite another reduction in dead weight prices a firm trade but buyers slightly more selective.

**CULL COWS Max 255.5p/kg £1952**

Just a handful of cows, but these were real export Black & Whites and saw keen competition. All from DR & SJ Heal these good sorts topped at 255.5p/kg and grossed just under £2000. Others 230-235p/kg £1600 - £1700. More could have been sold today.

**STORE CATTLE (137)**

Not quite the difficult day that we thought after all. Although the finish prices continue to drop today saw some good cattle forward due to look of numbers but overall, a satisfactory day. Quality is always wanted and better shaped cattle saw the keenest demand. Some smart Blue x forward and stronger 14-15mo steers from M Sawyer topped at £1780 and heifers to 19mo at £1860. A super consignment of homebred Blues from J Sprake & Partners produced keen bidding. Their 22mo "R" grade heifers to £1885 and 13mo steers regularly over £1580 and peaked at £1650, heifers of the same age to £1625. Another good entry from James & Peter Corp saw their Stabiliser x South Devon steers top at £1800 and often £1600 - £1750. Plenty of Angus on offer and while trade was easier and were sold. Thicker well fleshed steers again from M Sawyer to £1820. Hard lean Angus steers forward from Brind Gough sold well at £1800. Young 12mo steers from the Sprakes at £1650. Nice summering Dairy x Angus steers and heifers from JS Noad & Sons £1345 and £1230 respectively. A small entry of Organic Angus x steers saw the stronger types to £1900.
