Chaplains Prayer

'He will also **Send You Rain for the seed you sow in the Ground**, and the food that comes from the Land will **Be rich and Plentiful**. In that day your cattle will graze in Broad meadows. The Oxen and Donkey that work the soul will eat Fodder and Mash Spread out with fork and Shovel' Isaiah 30 v 23---

As I write on May 31, some areas of the UK are becoming seriously dry? it's been acknowledged that this now is one of the driest Spring periods on record? Must admit though that second cut is growing well here in Ditcheat! Lord, please bring us rain! Hopefully by time I write next week the high pressure which is stopping any rain will have well and truly moved on!(At least for a while!) 🙏😊

The Environment agency has a very informative and important video about what to expect and advice to help preparing for an inspection!? Find here: <https://environmentagency.blog.gov.uk/2025/05/13/how-to-prepare-for-an-inspection>

I attended the Bath & West show, firstly with family and on Friday at the Farm Community Network stand...The show, I believe, does an excellent job showcasing all things Agricultural and Countryside to a very Urban visitor!?

We remember farmers worldwide who are facing hunger and hardship, and pray they might be able to access the resources to feed their communities and fight back against the effects of the climate Crisis. 🙏

God of rain and river, of stream and storm, of sea and silent pools, of waterfall and waterhole, of Wells and Waves, of aquifer and aqueducts. Hear us we pray for water fresh and pure for all; and guide us to use your water wisely and well, ensuring that all of your nation can share in your bounty 🙏

We're in it
together

Through our insurance products and services, we are here to protect you and your farming business against a range of risks.

For 120 years we've been putting farmers across the South West at the heart of what we do. To our Members, we're the local specialists that understand the challenges you face and are here to help.

From your very first conversation with us, to the moment a claim is paid out, we'll always do the right thing by you. But don't just take our word for it – ask your neighbours about us.
