**STEERS TO £2180 HEIFERS TO £2150**

Trade improves in line with the increased demand for finished cattle with steers to £2180 and heifers to £2150.

## SUCKLER COWS & CALVES

Only a handful of suckler cows and calves in this week, but what a trade. A lovely consignment from Pete Cooke & family created strong bidding, seeing Hereford x cows with Angus heifers to £2390, while Angus cows with Angus heifers topped at £2520.

## ORGANIC

Organic numbers a bit scarce for our June sale but good demand and bidding very brisk. Good shaped Blue x dairy heifers 18mo from vendors Daniell & Hole sold easily to £1985 and £1840. Well presented black and white Hereford x Friesian heifers forward from the Durston family were wanted to £1850. More could have been sold on this improving trade.

## YOUNG CONTINENTAL

The recent lift in the finished prices certainly had a good effect on the younger stores today. Hard lean 10-11mo Limousin steers and heifers from CE Parfitt had a marvellous day with best pen of steers at £1020 and heifers £1085! A tremendous consignment of homebred suckled Limousin (12-14mo) steers presented by JJ Taylor & Son saw outstanding prices at £2070! Blue x heifer from the same home (14mo) £1940! Certainly a joy to sell in the ring today with super types forward.

## ANGUS

Quality cattle forward met an improved trade as demand increases following the increasing finished trade. Fleshed steers from VW Harvey Partnership of Yeovil set the trend at an outstanding £2180 (27mo) and closely followed at £2120 (28mo) from Nigel Masters and family of Maperton. Forward heifers equally sought after selling to £2065 (only 19mo) for JJ Taylor & Son of Bristol, and their younger heifers to £1780 (17mo). Other heifers also well bid to £1870 (29mo) and older heifers well sold from £1700-£1760 (30-31mo) from Clifford Alvis & family of Radstock. Bulling heifers also wanted to £1640 (22mo) from Roger Phillips & family, £1630 from Sam & Guy Jenkins, £1550 Nigel Masters, £1540 Derek & Bridget Gorge and £1505 from Daniel Bessant of Lyndhurst. Yearling steers continue to excel with best 15mo steers selling from £1915 to £1965 from Sam & Guy Jenkins, £1890 (15mo) from JJ Taylor & Son and £1875 (13mo) from David Hill & family of Doulting. Younger 12mo steers also keenly bid to £1550 from JR & JB Marshall. Younger heifers also wanted selling to £1380 for Tynning Farms of Kilmersdon.

## HEREFORD

Trade for the native and Hereford breeds excellent today. S & G Gould presented a super run of young Hereford x Friesian with 7-8mo steers at £1090 and heifers at £995! Very few forward Herefords on offer, which were mainly in the organic section with strong heifers at £1850.

## FORWARD CONTINENTAL

The stronger finished trade bought more quality forward cattle for sale today which sold above expectations. The quality reared younger types met the fastest trade with the exceptional entry of Limousin steers from JJ Taylor & Son of Bristol selling to a massive £2070 (only 14mo) closely followed with Charolais steers from VW Harvey Partnership of Yeovil selling at £2050 (26mo). Blue steers also selling well to £2030 (27mo) from Nigel Masters & family of Maperton, £1900 for Roger Phillips & family of Coleford and £1825 from Derek & Bridget Gorge of Batcombe. Lincoln Red steers also well bid selling to £2020 (only 16mo) from Sam & Guy Jenkins of Pewsey. Other well presented Limousin steers from Dave Gingell of Mere met keen bidding, selling to £1980 (19mo). Heifers topped even higher with Limousin heifers selling to an exceptional £2150 (only 21mo) from JJ Taylor & Son; their Limousin heifers also well bid from £1930 to £1980 (19-20mo) other quality Limousin heifers wanted and selling to £1800 from Dave Gingell.

## Chaplains Prayer

'He will also **Send You Rain for the seed you sow in the Ground**, and the food that comes from the Land will **Be rich and Plentiful**. In that day your cattle will graze in Broad meadows. The Oxen and Donkey that work the soul will eat Fodder and Mash Spread out with fork and Shovel' Isaiah 30 v 23---

As I write on May 31, some areas of the UK are becoming seriously dry? it's been acknowledged that this now is one of the driest Spring periods on record? Must admit though that second cut is growing well here in Ditcheat! Lord, please bring us rain! Hopefully by time I write next week the high pressure which is stopping any rain will have well and truly moved on!( At least for a while!) 🙏😊

The Environment agency has a very informative and important video about what to expect and advice to help preparing for an inspection!? Find here: <https://environmentagency.blog.gov.uk/2025/05/13/how-to-prepare-for-an-inspection>

I attended the Bath & West show, firstly with family and on Friday at the Farm Community Network stand...The show, I believe, does an excellent job showcasing all things Agricultural and Countryside to a very Urban visitor!?!?

We remember farmers worldwide who are facing hunger and hardship, and pray they might be able to access the resources to feed their communities and fight back against the effects of the climate Crisis. 🙏

God of rain and river, of stream and storm, of sea and silent pools, of waterfall and waterhole, of Wells and Waves, of aquifer and aqueducts. Hear us we pray for water fresh and pure for all; and guide us to use your water wisely and well, ensuring that all of your nation can share in your bounty 🌿
