## Chaplains Prayer

Psalm 16:1 'Keep me safe My God, for in You I take refuge!'

Farmwork brings potential dangers, and so we pray for all responsible for communicating those dangers to others. We pray for all within our farming community whose safety maybe at risk and for anyone whose life has been affected by accident or injury

"May God shield you in the Valleys. May Christ aid you on the Mountains. May the Spirit Bathe and Cover You on the Slopes, Wherever you are and keep you and your Farming Family safe 🙏❤️ RABI have officially launched **FARMERS AID**, a pioneering new initiative designed to provide **Clear step by step guidance following a serious on farm accident....** it's built around the 'Platinum 10' after an accident where prompt timely action can directly influence survival outcomes!? It includes facility to **Offline phonecalls, and What 3 words to guide Emergency Services with pinpoint accuracy..** Google 'Farmers Aid' to download the **RABI APP...**FCN have a range of useful resources on their 'Farmwell' platform around a wide variety of topics... included is a guide from the centre for addiction and mental health on how to talk about Suicide? Access the guide here <https://farmwell.org.uk/suicide/> Remember you can phone this number 07722093950(**Health Hub**) to make an appointment for foot clinic(very popular!) or physiotherapy! Leave a message and someone will return your call..

**The Fuel duty rate on Red Diesel has been cut** (as of 15 June)until end of year. This will help hard pressed farming businesses as fuel prices have jumped 55pc since the Middle East conflict began.. **Hauliers** will also get a **12 month road tax holiday...**this will in turn get raw materials onto farms and produce into supply chains. The **Poultry Sector** has been particularly affected by increased costs associated with **Specialist Bird Movements.**
