Chaplains Prayer

'I know the plans I have for you, plans to **Prosper you and not to harm you, to give you a future and a hope...**In those days when you pray, **I will Listen!**'..
Jeremiah 29 v 11-12.

If you feel you have been seeing and hearing more about FCN this year...then you would be correct! They have been featured and interviewed by a wide range of print, online and the Broadcast media! This exposure has considerably raised awareness of their important work in and for the farming community and partnering industries! The more people who are aware of their vital work, the larger the number of individuals they are able to reach and help...FCN have introduced a variety of popular campaigns this year .In April 24 **Macmillan and FCN** formed an important alliance to highlight Cancer help for farmers. On 15 Nov, in London, they launched the **'nipitin in the Bud 'campaign. This partnership has gone from strength helping and supporting Farming families suffering with Cancer..**If you suspect cancer, the sooner you get checked, the sooner treatment could start!?! And of course, the sooner you can get back to the farm!?! Remember at our market, on a **Wednesday** we have our very own **Health Hub** on the 2nd and 4th weeks! Also a **Health and Wellbeing specialist nurse** is in attendance too...and Podiatrist can be booked too(very popular)! Phone the Hub on 07722093950...and leave a message, or visit on any Wednesday? I've been informed that There will soon be a website to book or enquire online! 😊

FCN have worked with a wide range of other partner organisations too to develop projects, research and social opportunity for benefit of the farming community! This has considerably raised PUBLIC AWARENESS of the challenges and pressures farmers and the allied industries are under!

As market Chaplain, I'm really proud to also be an FCN member, and a big thankyou to Anthony Matthew for his help to date this year too! Chaplains have much in common with FCN volunteers...To be there in places where farmers congregate to listen, support and connect where appropriate in a non judgemental way! To offer Pastoral care (ie emotional, social and Spiritual advice) to anyone from any culture or religious tradition. **Farming, Food and (especially) Learning** play a important part to educate and inform the public (especially children) about the vital work we do to supply the food for our population!?! Farm visits play and important part in doing this, and are becoming ever more popular especially now in the summer months....

With much drier summers, we are going to have to be ever aware of **Wildfires on our farms? 380 were recorded Jan-April '25**, significantly more than 188 in same period 2022? Maybe another good reason for looking at creating more reservoirs on our farms?

Remember your neighbours at this time of year especially.... ❤️ Here are some numbers and contacts you may need: FCN: 03000 111 999, help@fcn.org.uk.. RABI: 0800 188 4444, Samaritans 116 123, email jo@samaritans.org

Enjoy yourselves in a safe way! 😊 I can be reached on 07880770887...Neville (Chaplain) 🙌👤
