Chaplains Prayer

'The disciples departed and went through the villages, bringing the Good News and Healing people everywhere' Luke 9:6

Jesus, storyteller and Teacher, friend of the unloved and challenger of the Faithful; as we listen to your stories, we are challenged afresh to see you in the faces of our neighbours. Spirit of God, who brooded over the waters of creation, Who breathed New Life into the first disciples: as we think about our communities, we are called to see

the Promise and Potential of your Presence! Perhaps more than any other job, Farmers are reliant on God's provision and Sustenance. They Have to take the proverbial rough with the smooth? This is extremely challenging, especially in weather conditions as they are at present!? 'Oh God Pour out on us the water of Life, that we may quench our thirst(and the parched land too) and draw our strength from you... And help us To Stand Alongside (with support and encouragement)those who struggle daily to make a living on the farm ❤️ Here are numbers/email to contact if you feel someone you know needs help,and is struggling and not coping? But do seek their permission too!

You can call the Health Hub 07722093950 for appointments especially physio and podiatry...leave a message and your number and Kirsty will return your call!

FarmersAid by RABI is an App that provides clear step by step Life saving support following a serious on farm accident...I believe I have mentioned this before, but well worth mentioning again!? Getting Emergency Services to the right place rapidly in an isolated place will undoubtedly save many lives!.What 3 words location finder is revolutionary in this respect....Download FarmersAid app on App store(iPhone) and Google play...androids!

We did have a fairly heavy shower of rain earlier this morning, but it's so dry...the land needs alot more to have any effect!?

We pray for more in the week to come.. Blessings to you all, and will see you most Wednesdays at the market!?
