ANNOUNCEMENT

It is with mixed emotions that we share the news that Kate Isgar will be leaving Frome Market Café.

We are very grateful for Kates hard work, warmth and commitment during her 3 years with us.

Kate has made a real contribution to the café's success, noticeably reaching last years finals of the 'Market Café of the Year' at the British Farming Awards.

Outside of the market Kate runs her own Beef farm and well established outside catering business and we still look forward to seeing her when she sells her store cattle here at Frome.

We wish Kate all the very best for the future and thank her for everything she has done for us and our customers here at Frome Livestock.
