Chaplains Prayer

A Prayer for our **Children and Grand children starting the New /school/ college Year**

♥ 'Dear Lord, as we begin the new school year, we pray that you will keep all Children and young people in your care. Send your spirit to open their minds to all that is true and beautiful and good! Help them to see the gifts and talents you have given them... And to use them to the very best of their ability. Help them to grow in **Knowledge and Wisdom**. Help them to always be kind to others, especially to those less gifted and able than themselves?! Lead others to be kind to them also. **Open their Young Hearts to Your Presence and Enfold them in your Peace and Protection**. Hold them in the Palm of your hand and bring them home safely at days end!

Here are some useful bits of information/reminders for all farmers!:

2 most important for stock farmers with, or threatened by **BTv:1: register with vets for vaccinations of all eligible stock. 2: Have all Rams and Bulls Fertility tested BEFORE putting with breeding stock!?**

3: SFI 2 is to open on 22 September

4: Capital Grants application is now closed.

5: The Farmer Collaboration Fund for Delivery partners .. you can now apply.. deadline is 30 September.

6: Apply for Automation and robotics funding by 30 September!

We can only use our imagination to wonder where Robots and Automation will apply to Farms in the future?

It's **Both scary and exciting in equal measure!!** Contact **DEFRA** for more information: 03000 200 301.

If you or anyone you know is in need of **Help**, there's a lot of it out there... You must **Ask** though, because it won't (usually) come looking for you!?
