Chaplains Prayer

‘God will wipe away every tear from their eyes, and death shall be no more(When he returns) neither shall there be mourning nor crying nor pain any more... For the former things have passed away’! Revelation 21:4.

GRIEF

We all have to cope(in some way) with grief? Some can cope and come to terms with it better than others? The following homily helped me enormously to get over loss...I pray it may help anyone else grieving too ❤️🙏

GRIEF is not just an emotion, it's an unravelling, a space where something(or someone) once lived but is now gone. It carves through you leaving a **hollow ache where love once resided**. In the beginning it feels unbearable like a wound that will never close. **But over time the raw edges begin to mend**. The pain softens, but the imprint remains; a quiet reminder of what once was. **The truth is, you never really move on, but you move with it**. The Love you once had does not disappear; **it transforms!** It lingers in the echoes of laughter, in the **warmth of old memories, in the silent moments** where you still reach for what is no longer there. **AND THAT'S OKAY!** GRIEF is not a burden to be hidden, it's not a Weakness to be ashamed of. **It is the deepest Proof that love existed!** That something beautiful once touched your life...So let yourself feel it , let yourself mourn. Let yourself remember there is no timeline, **no right way to grieve**. Some days will feel heavy and some will feel lighter. Some moments will bring unexpected Waves of sadness, while others will fill you with **Gratitude for the Love you were lucky enough to experience**. So Honour your grief, for it is Sacred, and it is **Testament to the depth of your Heart**; and in time, through the pain, **You will find Healing, but not because you have Forgotten, but because You HAVE LEARNED HOW TO CARRY BOTH LOVE and LOSS TOGETHER!** ❤️ I was saddened to hear that one of the foremost suicide charities **PAPYRUS is to close down...** 😞 If you need help in any way, please ask myself or Anthony here at the market, or one of the following: **FCN: 03000 111 999 or help@fcn.org.uk RABI 0800 188 4444 or RABI.org.uk online.**
