STEERS TO £2350 HEIFERS TO £2180

A firm trade today on the whole; several cattle 'showing the autumn' still looking well sold. Harder sorts generally a more selective trade.

ORGANIC

A very good entry of 120 Organic for our monthly sale and trade was very lively for most types through the ring. First were a super annual consignment of suckled Charolais, Aubrac & Herefords from regular supporters The Gore Farm Partnership from Salisbury. These smart cattle saw 7mo Charolais steers at £1580 with heifers £1300. Aubrac steers from the same home had a marvellous trade to £1500. Excellent shaped suckled Simmental heifers 8mo from C & D Ross were well sold at £1400. Good, hard Hereford presented by CW & JM Taylor produced competitive bidding to £1620 for steers while heifers sold to £1500. Forward quality suckled Angus had a good day with 19mo strong heifers from Hardwick Bros to £1760 & £1700. 29/30mo heifers from E & W Holloway & Son saw tremendous bidding at £2060 & £2180!! Overall a good day in this section with plenty of keen interest throughout.

COWS & CALVES AND GRAZING COWS

A tidy consignment of young Angus heifers with 3-5mo Angus calves at foot met keen interest from £1950 to £2170. Similar goods from WL Collins & Son saw £1800 to £2160. Older grazing cows to £1170 from Marcus Hayward.

FEEDING BULLS

A 13mo Charolais rig from D & G Stevens looked well sold at £1530. Young 8mo Blues to £795 from Giles Simpson.

YOUNG CONTINENTAL

More younger Continental on offer than of late. Trade very variable but in general strong. The unfortunate news that finished beef prices are being reduced just had a negative effect today. Overall prices are strong with plenty of better types £1500-£1700. Very well conformed Blonde steers from C & RL Gapper seeing 7-8mo at £1660. Top Charolais once again from Neil & Sharon Glover (6-7mo) £1725 and £1660. 8mo Charolais steers with real shape £1760! Robert & Julia Banwell presented their suckled homebred 8mo Charolais which all sold to an advantage; their steers saw bunches topping at £1505 but the icing on the cake was their

smart heifers at £1490, £1480 and £1360. Not too many Dairy x younger Continentals forward but nice sorts from Simon Banfield Farms saw 12mo Blue steers to £1410. Overall another strong day in this section.

Chaplains Prayer

I am the **Good Shepherd, I know my own, and my own know me, just as the Father knows me, and I know the Father, And lay down my Life for my Sheep'**John 10. The extent to which Farmers often go to care and look after their Livestock(and workforce!) whether Bird or Animals or fellow human beings calls to mind the Loving kindness of Jesus himself!❤️
This week we also give thanks for the commitment of all who's work requires them to rise early, especially those within our farming community, and remember all those for whom the darker shortening days bring extra workload Caring for housed stock ❤️Also thanks to God for signs of growth and hope around us after the Late summer rain, alt'hough most areas still have a deficit?!? So we pray for more!🙏
However, some are struggling to cope? Remember to check up on your neighbour, especially those you're not in regular contact with. Here are some contacts who can and WILL help: FCN, call 0300 111 999, or email help@fcn.org.uk RABI 0800 188 4444, Open mental Health: 7 days support 01823 276892, freephone 0800 1381692.Samaritans: call 116 123, or: jo@samaritans.org The Harvest auction of produce and gifts in **Aid of the Health Hub raised just short of £1000!** Many thanks to all those who generously contributed to a wonderful evening!! Also again thank you to **The Farming Community Network for generously covering the cost of our meal!**
We think especially of all those who go out of their way in making **Personal Sacrifices** to care for their animals , and pray for anyone within the Farming Community who feels Lost or is struggling at this time...for any reason 🙏
We have a regular visit from the Avon and Somerset Police rural affairs team here at the market on a Wednesday....Recorded crimes went from just over 400 in 21/22 to + 500 in 24/25 and now it's marginally more than that figure. Crime is under reported! I had a long chat with the unit at the market, and was impressed by their commitment and resolve to help Farmers and landowners who need advice re their security for themselves and property! Don't be afraid to ask their advice or to report a rural crime! Also, they have 'Farm Watch' posters available for your farm gate and vulnerable premises and they can advise on marking your machinery too!
Finally:' As the Sun rises, Lord may your hope rise up in us; As the birds sing, may your love flow out of us; And as the light floods into the new Day, MAY YOUR JOY shine through us👆🙏❤️
Blessings to you! I am away for the next two Wednesdays at the market, but Anthony Matthew will be with you as usual!
