Over 100 calves and 40 stores were not pre-booked for this sale which could have seen more buyers forward if these had been advertised in our catalogue

CULL COWS & OVER AGE (20) Max 247.5p/kg £2097

A good number of cows forward for this November TB sale. As the finished beef prices drop it sees a knock-on effect through the cow section. Best export type beef cows were in short supply but super, well fleshed Angus from Tim Hues sold to a strong 247.5p/kg grossing £1980! Well fleshed, deep bodied Holstein Friesian from the Clapp family 200-225p/kg and topping at a marvellous £2097! Steaking cows 180-200p/kg. Plain cows 120-150p/kg. Older cull bulls saw Angus to £1982 and 189p/kg. More cow buyers forward as the numbers increase.
Thank you to all who sold in this section.

STORE CATTLE (110)

Just over 100 cattle forward and demand following the national trend with most types easier throughout the sale as the finished prices continue to drop. Quite a varied entry with fewer big prices for this sale.

Good British Shorthorn steers and heifers with good shape were wanted at £1700 and £1415 from the Russell family.
