The Lords Prayer:

'Our Father who art in heaven hallowed be thy name! Thy Kingdom come, thy will be done **On Earth as it is in Heaven.** Give us this day our daily bread, and forgive us our tresspasses, as we forgive those who tresspass against us and lead us not into temptation, but deliver us from evil, for **Thine is the Kingdom, the Power and the Glory for ever and ever Amen'**

As farmers we have a very special place in the Kingdom here on Earth! Our Lord lived a very simple life and was surrounded by people like us... Trying to produce food for everyone for sustenance! So remember that every crop you plant and in every animal you rear... **You are fulfilling his will here on Earth, as it is in heaven, And Glorifying his name too!**

I've just spent 10 days in Lanzarote... Beautiful island! Lots of foreigners retire there putting enormous pressure on housing for local people, who regularly protest about the numbers of tourists too! Must say, I can sympathise with them, although alot of the population are employed in tourism, so it's very much a two edged sword!

I see that **The Environment Agency** has been using drones and using aerial imagery to identify Manure heaps within **Nitrate Vulnerable Zones**... Apparently in these areas they should be moved every 12 months!

Here's the contact information you need if you or anyone you know is in need of someone for help, advice and fellowship!
